Veterans to Receive GI Insurance Return

First distribution of a GI Insurance dividend totaling \$224,200,000 is in the mail to nearly 154,000 veterans, according to William J. Driver, administrator of Veterans Affairs.

Some 4,606,000 veterans are eligible to receive the dividend payments, which will be made throughout the year on the anniversary dates of the individual policies.

Although the amounts due individual veterans will vary considerably, depending on the veteran's age, the amount and type of insurance in force, and other factors, the amount to be paid in 1966 averages out at \$47.50 for World War II policyholders and at \$73.75 for World War I policyholders.

Scouts Set Campaign Luncheon

Angeles Girl Scout Council will hold a campaign luncheon at the Ambassador Hotel on Wednesday, Jan. 19, in preparation for its annual Girl Scout Cookie Sale scheduled for March 4 to 19.

Mrs. George Wetherill, chairman of the 1966 Cookie Sale, is in charge of arrangements. The luncheon program will be emceed by popular disc jockey Johnny Grant.

Weston Baking Co. is baking four appetizing cookie varieties especially for the Girl Scouts.

The annual cookie sale supplies the funds necessary to supplement allocations from United Way and Community Chest, in order to provide the best possible program, including five established camps, to the more than 26,000 Girl Scouts in Angeles Council.

OF THE TOTAL dividend, Driver said, \$209 million will be paid to 4,400,000 veterans of World War II who hold National Service Life Insurance policies, and the remaining \$15,200,000 will be shared by 206,000 World War I veterans who have U. S. Government Life Insurance policies.

Korean War veterans hold low-cost, non-participating type policies that do not provide for payment of regular annual dividends.

The dividends represent primarily a return to the policyholders of part of their premium payments since the death rate of insured veterans continues to be lower than the mortality rate upon which premium payments are based by law.

The Veterans Administration head said the payments would be made automatically on monthly anniversary dates, and that no application is required.

Come in and take on a tiger!

The only way we could make a Catalina look even better would be to show you its price tag.

Because stretching back for nearly 18 feet behind that dashing front end is everything that would make pricing a Catalina the next logical step: A 389-cu. in. V-8. Wide-Track wheels. Nylon carpets. A package of safety features including seat belts front and rear. And one of the roomiest trunks in the field. Come in, take on and price out a tiger at your Pontiac dealers—a good place to buy used cars, too.
