

# South No Trouble For North, 60-50

BY HENRY BURKE  
Press-Herald Sports Editor  
Maybe North High has the second best basketball team in the Bay League after all! Coach Skip Enger's varsity had so little trouble beating second-ranked South Friday night, 60-50, proving that experience doesn't mean everything in judging basketball teams.

The five men Enger put on the court Friday each made a noticeable contribution to the victory.

Sophomore Center Jim Nielson made his 19 points look

easy, while veteran all-Bay League Steve Kuchenbecker had to fight like heck to get 10.

North not only dominated the backboard with Nielson, Steve Sibley and Bob Becker, but Bill Albin heaved in six goals from jumpshot range and Charley Richardson caused havoc with pass interceptions and guarding of South's Ed Holmes and Chuck Fernandes.

Crucial scoring by Sibley who got seven field goals and four free throws helped the Saxons run up a 16-point lead

a few seconds into the fourth period.

The Spartans were unable to flush jittery ball handling during the second quarter they crossed the center line without getting off a shot.

North held only a 26-24 halftime margin, but a 12-4 spurge halfway through the third quarter sent the score to 45-30.

North, beaten by Mira Costa, 57-47, to open the season, now has a 2-1 record in Bay League. South is 1-1, having topped Santa Monica

during the week, 86-78.

Tuesday South goes to Mira Costa for a crucial game and North travels to Santa Monica.

LaRoche scored on six field goals and seven free throws.

West also got one of the best efforts of the year from junior Barry Hyde, who hit field goals and four free throws for 14 points and pulled in 17 rebounds.

West held only a six-point lead at halftime, but opened up the game in the third quarter. Both teams hit 23 from the floor, while West hit on 18 free throws for the victory margin.

The Warriors will meet Culver City in a non-league game Tuesday. The game, which begins at 3 p.m., will be played at West.

## Torrance In 75-63 Triumph

By JERRY REYNOLDS  
Press-Herald Staff Writer  
Torrance High won its 18th basketball game of the season Friday night by downing Morningside, 75-63, in a Sky League contest.

The victory leaves the Tartars with an 18-1 season mark and a 2-0 record in the Sky League.

Bart Johnson, the 6-3 junior who leads the Tartar attack, scored 24 points on ten field goals and four free throws to lead all scorers.

Stan Love, a 6-7 junior, led the Morningside scoring with ten field goals and a single free throw for a total of 21.

Torrance took an early lead and was never in trouble, despite occasional effective use of a full-court press by the Monarchs. The Morningside press forced the Tartars into several ball control mistakes, but netted Morningside only two field goals.

Robin Fisher, who has become one of the brightest stars of the Tartar team, bucketed 14 from the foul line and four field goals for a total of 18. Fisher's quick, sure moves accounted for several more Torrance field goals, however, as he danced around the court and stole the basketball on several occasions.

Torrance will take a brief rest from the wars Tuesday and return to action Friday against Culver City. Tip-off time is 8 p.m. at the THS gymnasium.

## West Is Favored By Seven

A battle of rookies could highlight the East-West rivalry in today's 16th annual All-Star Pro Bowl Game at Memorial Coliseum. Kickoff is 1 p.m.

All eyes are on two great rookies, Gale Sayers of the Chicago Bears and the West and Bob Hayes of the Dallas Cowboys and the East.

Sayers led NFL scorers with 132 points, most ever by a rookie, on 22 touchdowns, an all-time league record. He was second in rushing, punt returns and kickoff returns and had a combined net yardage figure of 2,272 yards, third highest in league history.

Overall, Sayers gained 867 yards rushing, 660 on kickoff returns, 238 on punt returns and 507 receiving. His 22 TDs topped by two the record of 20 set by Baltimore's Lennie Moore last season, although the latter missed several early games because of a rib injury.

Hayes didn't wind up with feats matching Sayers, but he broke up several games for the Cowboys and was his team's top pass receiver, punt returner, second in scoring and third in kickoff returns. He scored 12 touchdowns, the longest for 82 yards and his average per pass reception was 21.8. Everybody of course knows Hayes is the world's 100-yard and 100-meter record holder and Tokyo Olympic Games gold medalist.

The West holds a 10-5 Pro Bowl series edge and is favored again by a touchdown. Western Conference teams had a big margin during the regular 1965 season against their Eastern foes. Climax was the freezing afternoon when Lombardi's Green Bay Packers defeated Collier's Cleveland Browns for the world championship, 23-12, two weeks ago, and Baltimore's 35-3 win over Dallas last week.

Two interesting stakes races, one for fillies and mares and the other on the hillside-infield grass course, comprise a highly interesting doubleheader at Santa Anita Park next Saturday.

The racing week also puts the spotlight on 3-year-old fillies Wednesday with the staging of the \$25,000-added Santa Ynez Stakes.

The twin bill on Saturday has the \$25,000-added Santa Maria Handicap and the \$25,000-added San Marcos Handicap in the headlines. The Santa Maria, at 1 & 1/16 miles, is the final stepping stone toward the distaff championship \$50,000-added Santa Margarita Handicap on Feb. 5.

Meanwhile, the San Marcos is another important event for proven handicap stars on grass as they move toward the climactic \$125,000 invitational San Juan Capistrano marathon in March. The San Marcos will bring together Cedar Key, Or et Argent, Perfect Sky and Duell.

Feature events during the week will put the spotlight on:

- Tues. — Orange County Fair, Temple City, Fairfield Farm.
- Wed. — Arcadia Assistance League, Woodland Hills.
- Thurs. — League of California Cities, National Charity League, Green Top Farm.
- Fri. — El Monte, Antelope Valley Fair, Lawyers Wives of San Gabriel Valley, Golden Lambs Farm, Santa Anita, Samifal Picnic, Granada Vista del Rio.

## LADY BIRD TAKEN TO ZOO SICK BAY

A sick California condor, picked up by the Department of Fish and Game near Los Alamos in Santa Barbara County, has been taken to "sick bay" at the Los Angeles Zoo for treatment.

Specialists from the department and the zoo are cooperating in an attempt to restore the condor to health. The bird is described as an adult weighing about 18 pounds.

The sick bird is not on exhibition, officials emphasized, and will be kept in isolation to give it every chance.

"There are only about 40 California condors left in the world, and we intend to do everything possible to save this bird so that it may eventually be restored to its native habitat," said Walter T. Shannon.

The condor was first sighted a week ago by two quail hunters, who reported it was huddled under an oak tree, apparently unable or unwilling to move. They telephoned the information to Warden Eugene Durney of Solvang.

One of the hunters led Durney to the site and found the condor in the same place and in the same condition. It bore no visible marks of injury.
