

# Hootenanny at Montgomery

**TOURING MINSTRELS** . . . A Troup of 18 folk singers will visit Bishop Montgomery High School Saturday, Feb. 5, for a hootenanny. The event, hosted by the Montgomery Student Council, will begin at 8 p.m. Appearing with the group will be the New Folk Trio, the Eden Singers, David and Rhea, The

Arkells, and Rosey Ridge II. The groups are part of the Pepsi Generation Show which has been touring schools and colleges throughout the Southland. Co-Dick Weststead, who have been planning the hootenanny since last June.

# Garden Checklist

1. You can brighten the January scene with blooming Florists Cyclamen set into the ground in pots. Their exceptionally large flowers in white or shades of pink or rose play the same role in the winter-spring that tuberous begonias do in the summer, putting on a spectacular show when placed near ferns, Japanese Maples, rhododendrons or azaleas. They like a rich, acid soil.
2. Keep on with bareroot planting whenever weather permits. Fine roses, shade trees, flowering fruit trees and shrubs are available in economical bareroot form and this is the best way to give them a good start.
3. If your roses are dormant, prune them now. Clean up fallen leaves and debris around them.
4. Look ahead to spring by putting in fairy primroses, violas, pansies and snapdragons.
5. If your ivy needs cutting back, do it now. Don't be afraid to prune heavily. It will burst into strong new growth next month.

# Cactus Society Slates Meeting

Members of the Garden Avenue Cactus and Succulent Society will meet Friday at 8 p.m. The meeting will be held at the Prairie Recreation Center, 141st Street and Prairie Avenue. New officers will be elected during the business meeting. A plant table will be set up and refreshments will be served.
