Read What the Experts Say—

ROAD TEST
"In the economy car class, currently dominated by Volkswagen, a new contender has climbed into the ring. If buyers drive the Corona as well as the VW before making their decision, the Corona just might emerge the new champ. In almost every department important to buyers of this kind of vehicle, the Corona gets the nod."

MOTOR TREND
"The Corona Sports Sedan, a real eye-catcher . . . also a real eye-opener in the performance department . . . It has a 90 HP engine that puts it miles ahead of its competition in performance . . . while other economy sedans are chugging slowly up hills, the Corona keeps up with, or ahead of, traffic. Spirited, miserly, rugged, and comfortable. Corona boasts a host of no-cost extras; makes sense for American buyers.

SPORTS CAR GRAPHIC
"We drove the 90 HP Corona for several weeks and found it to be one of the most pleasant, low priced sedans we have driven in a long time . . . We feel its success is already guaranteed!"

POPULAR IMPORTED CARS
"We found the manufacturer's claim that the Corona will accellerate to 100 mph in seconds to be realistic . . . The reserve passing power of the new Corona is remarkable . . . The new 1966 Corona is one of the hottest dollar values available today."
