

MARY WISE Menu Planners

YOU'LL BE THE HOSTESS with the mostest, when you serve this handsome ice cream cake at your next party. The cake can be made in advance and stored in the freezer.

Valentine Dessert Can Be Made Ahead

Anytime your entertaining calls for a festive dessert, a colorful Boysenberry Jam Cake is the answer. Simply bake a layer of cake in a sheet cake pan. When it is cool, top with a colorful layer of ice cream and freeze. When the ice cream layer is solidly frozen, unmold on a piece of heavy cardboard and frost with soft vanilla ice cream. Freeze again and pipe colored buttercream icing around the edge. Store in a freezer until ready to use. Just before serving, spread a layer of Boysenberry jam over the top. Boysenberry jam complements such interesting ice cream flavors as pistachio almond, lemon custard and others.

Win \$20 Grocery Order; Enter Recipe Contest
