

**FORM NEW COMMITTEE . . .** Formation of a Property Owners Division Subscription committee by the Torrance-Lomita Board of Realtors was announced here this week by Charles J. Pecora, president of the board. The new group will be responsible for providing information about issues and legislation affecting property to local property owners. The statewide California Real Estate Association recently formed a Property Owners Division. Shown discussing plans for the local group are, from left, Fred W. Mill, executive vice president of the local board; Realtor Bob Haggard, Pecora, Realtor Chris Sorenson, and Realtor Dell Wright, who was named chairman of the committee.
