 was actually elected at
 November general elec-
 tion of 1950, and took my
 oath of office as a mem-
 ber of the Assembly in
 the 46th District on the
 Monday of January 1,

 of the 46th Assembly Dis-

 tation that I could provide.

 time and money and it has

cost those who donated to
 my campaigns time and
 money. I am satisfied if
 others are.
 The sole purpose of this
 rather brief explanation of
 the cost of campaigning in
 1964 is given at the request
 of my constituents and the
 public in general. Great as
 the costs of my campaigns
 have been, they have been
 very small in comparison
 with the campaigns of those
 who have run for offices
 where they have had to com-
 municate with greater num-
 bers of voters.
 The people have a right to
 know more of the truth
 about politics and govern-
 ment. Nothing in our mater-
 ial life is free. Even our
