

Draft Deferments Sought For Career Law Officers

The California Peace Officers' Association has endorsed a resolution urging that law enforcement personnel be granted deferment from military service.

The association, which met in San Francisco, will ask that the Selective Service agency give consideration for deferment to qualified, trained police personnel.

Peter Pitchess, Los Angeles County Sheriff and president of the association, pointed out that the deferment is

West Sends Six To Math Event

Six West High students participated in the tenth annual Math Field Day at Occidental College last weekend. The West High team included Roy Sriwong, Arlen Conto, Paul Noels, Steven Pearlston, Gerald Pretorius, and James Ackerman.

The event is designed to stimulate interest in mathematics and to recognize ability of high school students in mathematics.

GOOD DENTAL HABITS . . . Kirk Tracey and Kathy Leachman, students in Mrs. Evelyn Harper's kindergarten class at Hamilton Elementary School, practice brushing teeth the proper way on a ventriloquist's dummy. Students use the dummy to act out studies on visiting the dentist as part of a dental health program now being emphasized in all Torrance schools.

Elementary Students Learn Good Dental Health Habits in Classes

Are Torrance youngsters biting off more than they can chew?

Not really, says Mrs. Dorothy Anderson, district supervisor of school nurses. But they are learning how to take care of their teeth.

In observance of dental health month, the city's 24,000 elementary school children are studying the rudiments of dental care and nutrition.

ACTIVITIES emphasizing dental health range from kindergarten demonstrations of toothbrushing techniques on a life-size ventriloquist's dummy to an eighth-grade diet

experiment with a pair of white rats.

Students are painting posters depicting parts of the teeth, putting on plays featuring a dental theme, viewing films on dental health, and planning science fair projects dealing with teeth.

At Arlington School, first graders plan to carry out their study of nutrition by serving a "good teeth breakfast." Second graders at Perry School are putting their dental knowledge to work in art class by making clay dental plates with bean teeth. And Madrona School youngsters are looking forward to climbing dental health month

with the crowning of a smile king and smile queen.

THROUGHOUT the district first graders are crayoning coloring books stressing toothbrushing, good nutrition and dental visitation.

Second graders have been given toothbrush kits donated by a manufacturer of toothpaste.

Donating their services to inspect the teeth of all first and sixth grade students are 24 local dentists, members of the Torrance Dental Health Association.

Marine Pvt. Peter D. Glowacki, son of Mr. and Mrs. Stan Glowacki of 5432 Linda Dr., has graduated from Marine recruit training at the Marine Corps Recruit Depot, San Diego.

Tartar Teen Talk

By Jeanne Rubeo

The spring semester at Torrance High is well under way. In fact, seniors are already beginning to count the days left until graduation.

The basketball and wrestling seasons are coming to a close, and soon the doors open on a season with fine baseball, tennis, and track teams.

One-Act plays are in various stages of preparation. The actors are trying their lines on anyone who will listen. The range of stories and plots is varied and interesting this year. Don't forget the One-Acts will be presented on Saturday, March 5 at 8 p.m. in the THS auditorium.

"GET YOUR tickets now!" This is the junior class cry from now until March 10. On that date juniors will present the Donkey Basketball Game. Boergers' Bombers (that's our fabulous basketball team) will attempt to play basketball on donkeys against our THS faculty. This is by far one of the funniest activities planned this year. Advance tickets are 75 cents for students, but

if you wait until the game, the price is \$1. Adults tickets are \$1 and children will be admitted for only 50 cents.

CONGRATULATIONS to all participants in the Pop Concert. The professional, polished performance was unique and marked the beginning of a new tradition at Torrance High School. A special kudo to Robert Webber, band director, for his splendid leadership.

How does 25 wins—1 loss sound to you? We're proud of our Tartar Varsity Basketball team. Friday night we will be hosting Rolling Hills. Come see Boergers' Bombers "Mow the Hills!" It is becoming a tradition to hang our victory flag on the school flag pole after each victory. As you are well aware, it has gotten much use during this basketball season.

SENIORS . . . Cap and gown fittings will be tomorrow in your government classes.

Thought for the day—Smile, you may make your day or somebody else's brighter!

See you next week . . .
