OUTSTANDING RETAILER... Harold Natkin, vice president and general merchandising manager of White Front Stores, accepts an award from Mrs. Luanna Cormier, national chairman of the American Family Panel. White Front was voted the outstanding retail merchandiser for 1965 by the American Family Panel and received the award during a convention of the research group.

Garden Checklist

1. Check your nursery for early spring-flowering trees and shrubs, and make your selection while the plants in containers are in bloom. You will still find some late blooming varieties bare-root. If not, they will be available in containers.
2. Continue to set out the perennial vegetables — artichokes, asparagus and rhubarb. Nurseries have flat-grown plants of broccoli, cabbage and cauliflower.
3. Feed primroses, violas and pansies weekly. Begin feeding deciduous trees, shrubs and roses as they start to show new growth. Don't fertilize camellias until bloom is over.
4. Roses may be planted now. You'll still find a good selection of the best varieties bare-root, at your nursery, so get them into the ground for a long season of bloom this year.
5. If you would like to grow your own citrus fruits, check with your nurseryman for the ones that do best in your area. This is the time to plant them. Give them a warm, sunny, sheltered spot where they don't get water too often. Good drainage is necessary.

Court members include Bob Hartstein as Theseus; Anne Childress, Hippolyta; Don Nillor, Egeus, and Gerald Young, Philostrate.

WEAVING ADDED humor into the play, the rustic consist of Ken Heckman as Quince; Tom Gasparotti, Botom; Mike McCann, Flute; Martin Lair, Snug; Steve Plakos, Starveling, and Bill Byrne, Snout.

Lord of the forest, the fairy king Oberon is played by Tim Forsyth; his queen, Titania, by Yolanda Encino; Puck; Carole Brown, Peasblossom; Susan Huggard, Cobweb; Valerie Martin, Mustardseed. Oberon's attendants are Bill Chapman, Domingo Colon, Mike Maddox and Tim Odening.

New Discovery Now Makes It Possible to Shrink And Heal Hemorrhoids Without Surgery

Stops Itch — Relieves Pain In Minutes

New York, N. Y. (Special): A world-famous institute has discovered a new substance which has the astonishing ability to shrink hemorrhoids without surgery. The sufferer first notices almost unbelievable relief in minutes from itching, burning and pain. Then this substance speeds up healing of the injured tissues all while it quickly reduces painful swelling.

Tests conducted under a doctor's observations proved this so — even in cases of 10 to 20 years' standing. The secret is the new healing substance (Bio-Dynes) — now offered in both ointment or suppository form called *Preparation H*.

In addition to actually shrinking piles — Preparation H lubricates and makes bowel movements less painful. It helps to prevent infection (a principal cause of hemorrhoids).

Only Preparation H contains this magic new substance which quickly helps heal injured cells back to normal and stimulates regrowth of healthy tissue again. Just ask for Preparation H Ointment or Preparation H Suppositories (easier to use away from home). Available at all drug counters.
