## Bout With Flu Fatal

A 45-year-old Torrance school teacher died early Friday at Gardena Emergency Hospital.

Ginerva K. Mathey, a teacher at Perry School, was taken to the hospital after her mother summoned a resuscitator unit about 1:30 a.m. Friday. She had been ill with the flu.

Doctors, in a preliminary report, said death apparently was caused by excessive drugs being taken to combat the flu, resulting in a cardiac arrest.
