### Copies of State Map At Chamber

The Torrance Chamber of Commerce has a substantial supply of the new California Official Highway Map prepared under the direction of the Department of Public Works. The map indicates the interstate route signs, classifies the type of roads, symbolizes features such as state park properties and shows camps, sites, roadside rests, airports, missions, winter sports areas, agricultural inspection stations, and includes a list showing the population of various cities. Copies are free to Chamber members and the public and may be obtained by visiting the Torrance Chamber offices at 1510 Cravens Ave. Residents may forward a stamped, self-addressed envelope, and receive a copy through the mail.

## Tartar Teen Talk

By Jeanne Rubeo

Friday was the day the students at Torrance High had been anxiously waiting for since Jan. 3. (That was the day school started after Christmas vacation!) Friday at 3 o'clock spring vacation began. Tartars undoubtedly will help take over the usual spring vacation spots. They will be scattered from the hot sands of Palm Springs to the refreshing shores of Catalina.

Everyone here at THS is anxiously awaiting the Junior-Senior Prom to be held April 29 at the L.A. International Hotel.

Attention seniors: You must have your class dues paid in full to attend the prom. no

bid will be sold to a senior if your dues are not paid up.

Attention juniors: If you have paid your dues up to the junior year you may purchase a prom bid for \$1.50. Juniors whose dues are not paid up to date may purchase a bid for \$4. Pay up and attend the most fabulous event of the year!

THE SPRING semester Student Council is planning a Sky League Forum, Common School problems, and new ideas related from the different schools will be discussed. We are hoping each school in the Sky League will participate.

In recognition of Arbor Day, Torrance High School Student Council is discussing the topic of planting a tree on campus each year. The Campus Beautification Committee will also be an active participant in this Arbor Day discussion.

Thought for the day... Those who bring sunshine to the lives of others cannot keep it from themselves. See you next week...
