

ON GOLDEN WEDDING DAY . . . Mr. and Mrs. John Lennox, who are celebrating their 50th wedding anniversary today, discuss their hometown newspaper with three weekly visitors. The girls, all students at Bishop Montgomery High, are Diane Dragotto, Brenda Dunphy, and Karen Hiccox. The Lennox family lives in the Terrace View Trailer Camp, 5500 Torrance Blvd. The three Montgomery girls have paid weekly visits for the past 18 months.

Class 'Adopts' Couple

Montgomery Girls Plan 50th Wedding Day Visit

Mr. and Mrs. John Lennox, who now make their home at the Terrace View Trailer Camp at 5500 Torrance Blvd., will celebrate their Golden Wedding anniversary Saturday evening with a family reunion.

The couple was married 50 years ago today in Chicago, Ill. They moved to Torrance about 18 months ago for health reasons. Mr. and Mrs. Lennox are parents of two daughters and have six grandchildren and eight great-grandchildren.

One of the daughters and her husband, Mr. and Mrs. Arthur Erb of Redondo Beach, will observe their 25th anniversary during the Saturday evening celebration. Mr. and Mrs. Erb were married Feb. 3, 1940.

Mrs. Lennox is a semi-invalid. She and her husband have been "adopted" by students at Bishop Montgomery High, located next door to the trailer camp.

Each week for more than a year now, Diane Dragotto, Brenda Dunphy, and Karen Hiccox have paid the Lennox trailer an after-school visit. The three girls will be celebration of the 50th anniversary on hand today for a small party.

Bringing Up Baby

HINTS COLLECTED BY MRS. DAN GERBER, MOTHER OF 5

Sometimes babies have streaks of sleeplessness . . . seem almost to fight the sandman. If your baby goes on a night-owl spree occasionally, you can help nudge him toward the land of nod like so:

- Try to keep his waking hours reasonably active and interesting.
- Daily "constitutinals" in the bright air encourage drowsiness.
- A "roughhousing" or exciting play just before bedtime. Stimulation may prolong wakefulness.

Don Gerber on research. "Here at Gerber, research projects are conducted on a year-round basis. Agriculture, processing methods, nutrition and new product development . . . all get their full share of regular research attention. Every time superior produce is developed, the improved varieties go to your baby. As new processing methods are perfected, they are adopted. New products come to your baby only after they are nursery-tested for flavor appeal and laboratory-tested for nutritive values. Yes, when you buy Gerber, you're sure of your money's worth in nourishment."

Sweet music for little ears. Why not attach a string of Gerber Swiss Bells to baby's carriage? The merry, light 'n' airy music will enchant him when he's awake, won't disturb him when he's asleep. Also fine for attaching to stroller.

Success stories. Mealtimes are usually "looking-forward-to" times when you serve Gerber Strained Foods. Wonderful variety . . . over 50 tempters. Flavor supreme, be it a fruit, vegetable, meat, dinner or dessert. Textures? Super-smooth and palate-pleasing. And each and every one is "custom-cooked" according to its individual requirements to bring out the best in each particular product. When served in wide variety, they provide your baby with well-rounded nourishment. Has baby tried the new Vegetables and Ham with Bacon, yet? Down-right delicious.
