FACTORY-INSPIRED... FACTORY-AUTHORIZED! TEST LOCATION SALE!

A little over a month ago, American Motors authorized us to open a new location at 841 W. Pacific Coast Highway — provided sales justified this second "point." So we went all-out to rack up new sales records at new and used cars, to make sure that we could keep the new test location. We slashed all prices — red-tagged all models — set up special financing services to handle any down payment or budget problem. As a result, sales skyrocketed.

SO — WITH SELF-PRAISE! Every price tag there out lower than we dare advertise — terms have been extended to 48 months — arrangements have been made whereby we may be able to help you consolidate all bills into one low, easy payment. Many new 1964's — new 1965's — some-new 1965's — and new 1965's have all been superbly serviced and put on display at AUCTION PRICES! Come in this weekend for fullest selection — greatest savings!
