

Tartar Teen Talk

By Robin Bingham

Saturday brought a climax to the mist of excitement that had encircled Torrance High School for more than two weeks. The Long Beach Arena was the scene of boisterous cheering, accompanied by alternating pangs of happiness and disappointment. Then came tears. After giving Servite High School a "fight to the finish," the Tartars bowed to the Friars, 62-60.

Despite the final result, the Tartar Five has executed the most successful season ever. Good work!

C.I.F. MAY be over, but to Juniors at THS basketball is still here. Although a slight diversion from the usual, the donkey basketball game promises to be no less exciting. Mounted on donkeys, the Varsity basketball team will challenge the faculty.

Kindergarten Students Get Close Look at Marine Life

To kindergarten students at Yukon School, a recent trip to Marineland provided the climax to a month-long study of marine life.

Prior to the excursion, students in Miss Jill Taylor's class studied about penguins, seals, and whales.

During their art lessons they painted a huge cardboard aquarium and hung paper fish inside.

In their music and rhythm class they sang songs about penguins, seals, and whales.

When the day came to board the bus that was to

take them for a first-hand view of the sea-life they'd been studying, they had a "good idea of what to expect," says Miss Taylor.

Did the study wind up with the trip?

"On the contrary," Miss Taylor relates. "Now that they've seen marine life they are using that experience as a basis for making individual aquariums out of shoe boxes. As each student makes his own fish to put in his cardboard aquarium, he will remember the penguins, seals and whales he saw at Marineland," she concluded.

Redondo Teachers to Hold Benefit Dinner

A festive sea food dinner will be the highlight of the fund raising "Teach-Comers Night" to be held April 7, according to John Milor, president of the sponsoring Redondo Beach City Teachers Assn.

All proceeds will be donated to the Redondo Beach Sister City Committee for Student Exchanges. Proceeds from last year's fashion show at International Hotel were likewise contributed on the international project Milor said.

"Teach-Comers Night" will

be open to the public and will be held at both the Fish Peddlers and Fisherman's Haven Restaurants in Redondo Beach on Fisherman's Wharf. The no host reception will begin at 7 p.m. with the seafood dinner served continuously from 8 p.m.

THE MENU will consist of the Fish Peddler's clam chowder, salad, fresh abalone and chips, and coffee, according to Amy Cardona, president of Adams school. Chefs for the evening will be Jack Lunbeck of the Fish Peddler's

and Tom Washburn of Fisherman's Haven, both owners. All service and most of the food will be donated by the two restaurants and the Fisherman's Wharf Assn.

Chairman of the event is Phoebe McConnell of Edison School, who is social chairman of the teachers group.

Tickets or \$3 per person are available at all Redondo Beach elementary schools and the Redondo Beach Chamber
