## Special Easter Services Planned at New Horizons

Residents of the entire Southwest area and friends are invited to attend and participate in special non-denominational Easter services to be held at 9:30 Sunday at New Horizons.

The services will be conducted by Rev. Levi Price, a resident of New Horizons, in the golf course area adjacent to the Town Hall. In the event of inclement weather, services will be held in the Town Hall auditorium.

What hopefully will become a new Easter tradition in the Southland will be inaugurated. The traditional Easter celebration of the Resurrection of Christ will be embellished by the erection of a 12-foot high cross, built in the form of a cabinet with shelves.

Residents of New Horizons and guests are invited to bring potted Easter Lilies to sit on the shelves, to give the display the appearance of a cross made of flowers.

Following the services, the lilies will be planted in a special garden area surrounding the waterfall and lake in the center of New Horizons. Annual renewal of the service with the garden of lilies as a background is planned.

A special feature of the services will be original Easter music sung by the New Horizons choir. Directing will be Mrs. Randy Presley, and participating will be Helen Henderson, Joe Gentle, Jack Wilson, Harold Todd, Esther Todd, Judy Todd, Carl Doan, Frances Puett, Martha Hill, Fred Blackett, Margaret Cook, Lula Drake, Vicki Wilson and John Reiker.

Following the services, a brunch will be served. New Horizons is a complete adult recreation and garden home community located on Sepulveda Boulevard between Crenshaw Boulevard and Hawthorne Avenue in Torrance. Telephone is 325-6161.

**Unity Church To Welcome Community**

A community invitation to attend the Easter service at the Unity Church of Christianity at 10:50 a.m. has been extended by the Rev. Emma M. Muffley.
