Bill Satt, president of the South Bay Folk Dancers Assn., announces that Victor Wintheiser, regular dance instructor, is on leave of absence for exhibition purposes, and that for the next few months, guest teachers of ethnic dances have been secured.

For the next four weeks, the association has secured Athan Karras to teach Greek dances, Karras, a Greek-born, young American folk dancer, actor and producer, is currently director of Hellenic Folk Dancers. Well known from Broadway shows and tele-

vision, he mingles dance instruction with analysis of the history of each particular dance. He specializes in dances from every island and region of Greece.

After the four weeks course in Greek dances, the association has lined up instructors in South American, Balkan, Russian and German dances.

South Bay Folk Dancers meet each Friday at 8 p.m. at the Vallemonte School, 3801 Via La Seva, Palos Verdes. Instructions are given until 9:30 when there is a refreshment break and

dancing continues until 11 p.m.

The group also sponsors a beginners class at the Joslyn Center, 3350 Torrance Blvd., Torrance, under the auspices of the Torrance Recreation Dept. Vicki White is instructor.

For further information, Mmes. C. W. Conn, J. Beal, N. Reznick or W. Satt may be called.
