

COLISEUM RELAYS

Randy Matson To Participate

Another sensational Coliseum Relays is on tap Friday night when record-smashing participants, including shot putter Randy Matson, will be on display for the 25th annual track and field spectacle.

Villanova, Grambling and California relay teams and two individuals, John Rambo and John Camien, will defend championships at the event.

They'll face the cream of the nation's collegiate track and field ranks in the silver anniversary of the classic. Twelve world records have been set over the years.

Grambling defends in both the 440 and 880 relays, California in the mile and Villanova, which tied a world mark at 7:19 last year tries to repeat in the two-mile.

Camien is coming out from Emporia Teachers College in Kansas to try again in the mile while Rambo of Long Beach State faces a tough field in the high jump.

Other stars sharing great interest will be Gerry Lindgren and young Paul Wilson.

The shot put field has been measured and surveyed to be 72 feet just in case Matson, the giant Texas A&M sophomore, gets off a mighty toss bettering Saturday's 70-foot, 7-inch heave, which made a shambles of the shot record.

Lindgren, Washington State frosh who defeated the Russians in the Coliseum last year, may find some unexpected competition from Geoff Pyne, UCLA's budding star at two miles.

Pioneer Nines in 3-Way Race

SPRINT WINNER . . . In the Bay League 880 relay Friday was Coach Dick Scully's foursome of Wes Fox, Good Goodson, Ted Pettipiece and Rich Mitchell. They were clocked in 1:30.5 to beat Palos Verdes in the championship race, but the Lancers won the league title, 56-51. Track and field competition advances to the CIF preliminaries Saturday with meets at Lakewood, Arcadia, Burroughs and Fontana high schools. (Press-Herald photo).

Eagles, West Battle

By HENRY BURKE
Press-Herald Sports Editor
The CIF baseball playoffs are scheduled to begin Tuesday for the winner of Pioneer League, but the league is a long way off from deciding the championship.

Most of the season El Segundo, Torrance and West have staged a savage run for the title. Just prior to Easter a series of games were rained out for the only lull in the campaign.

Most of the games will be made up this weekend. League members were told not to worry about their heavy schedule this weekend, that the winner would receive a bye in the playoffs through Friday (May 21).

Coaches now have been informed Commissioner Ken Fagans has issued an edict for them to have a team ready to play Tuesday. They have league games tomorrow, Saturday and Monday to complicate matters.

It's not likely that even the big game tomorrow between El Segundo (9-3) and West (9-3) will interrupt the pennant chase. Torrance is 8-3 and plays Lennox tomorrow and both El Segundo and West Saturday.

Yesterday El Segundo slashed Aviation, 13-1; West topped Lennox, 5-2; and Torrance shaded Lawndale, 4-2. Monday's schedule sends West to Torrance and El Segundo to Lawndale.

Torrance beat Lawndale yesterday on a two-run single by Chris Smith in the fifth inning.

West rallied twice to beat Lennox. Tim Speaks' ground-er went for a two-base error and two runs in the fourth. Joel Hons batted in a pair and scored himself in the fifth on a pair of overthrows.

West got back into the championship picture by blanking El Segundo last Saturday, 5-0.

Lefty Dave LaRoche pitched West's first win over El Segundo in their three-year Pioneer League series. Dave allowed only a fourth inning single to Jerry Filson and struck out 11 Eagles in winning his fourth league game against one loss.

In the first inning for West Jim Barnes singled, LaRoche was safe on an error, Gary Loyd got the first of his two hits, and Gary Swanson doubled.

The Warriors batted around in the fifth for three runs. The big blow was Loyd's triple.

Leuzinger Routed by North High

North High has jumped back into the lead in the Sky League baseball race. The Saxons knocked over Leuzinger, 12-1, yesterday, while Inglewood lost to Culver City, 9-8.

Beverly Hills' 3-2 loss to Morningside assured North a spot in the CIF playoffs.

Crucial games with Morningside today and Beverly Hills tomorrow face the Saxons.

North's Bill Thomas, a straight-A student, collected a triple and two singles and scored three runs against Leuzinger.

Dave McGillivray equalled the school record for stolen bases with 13, but Henry Lopez hopped on his tail with 12. Each had two swipes yesterday.

Dave McCormick became the first North pitcher to go the distance in the victory.

Fox Hurls No-Hitter At Bishop

Ronnie Fox pitched a no-hit, no-run game against Bishop Montgomery yesterday to tighten the race for the Camino Real League championship.

The Padres won the game, 1-0, on a bloop single by Anthony Sestich in the second inning that scored Dennis Trani from second base with two away. Trani got aboard on a single and stole second base.

Fox struck out seven. He allowed two men to get on base in the second inning on an error and hit batsman. He gave up a walk in the fourth, after which the Knights went down in order.

Losing pitcher was Iri Davis who gave up four hits in the first three innings, but struck out 11 visitors.

The defeat was the fourth of the league season for Montgomery, giving the team a 7-4 record.

A make-up game between Montgomery and Pater Noster has been scheduled for Saturday at Montgomery.

Both are in contention for the title along with Fermin. Pater Noster beat St. Bernard's yesterday, 3-2.

Spartans Nod P.V. Nine, 3-2

Chuck Hrehor doubled down the left field line to score Steve French from first base for what proved to be the winning run in a 3-2 South High win over Palos Verdes Monday.

Hrehor and Craig Moore had two hits in the victory.

Playing at home, the Spartans won their
