Eight runner-up league champions, including South High, advanced to the second round of the CIF "AAA" baseball playoffs Friday. North High, Sky League champion, and Redondo, Bay League kingpin, were among the falling first place clubs.

South eliminated Pasadena, 6-3, while North dropped a 7-2 game to Loyola of the Catholic League. Inglewood lost to Hueneme, 7-1.

South will meet Arroyo High of the Sierra League Tuesday at Torrance Park at 3:15 p.m. Arroyo blanked Notre Dame of the Catholic League, 5-0.

El Segundo, after battling Torrance and West in a three-way race for the Pioneer League title, won its second straight "A" playoff game from Bishop Amat, 10-0.

El Segundo, which defeated Hart, 6-2, on Tuesday, will travel to Antelope Valley this Tuesday for the semifinals. Antelope Valley won a 19-inning, 4-2, game from San Luis Obispo.

Redondo was blanked by Ventura, 5-0, at Memorial Field in Redondo.

Sixteen of 32 teams remain in the "AAA" playoffs and four of the 16 are left in the smaller school Double-A tournament.

South scored early to win at Pasadena. In the first inning Craig Moore walked, stole second, and scored on a throwing error on Chuck Hrehor's grounder. Hrehor scored on Dick White's double.

In the third Hrehor walked, White was safe on an error with Hrehor taking third. Chick James singled with one away for one run, and White scored on a fielder's choice play at the Plate on Steve French's bouncer to the pitcher. A wild throw to first on a strike-out scored James.

Pasadena scored three in the fourth, after which South Pitcher Ken Pfau retired the final 10 men, ending the game with a double play. He won his seventh victory with five strikeouts and one walk.

Loyola rocked four North pitchers to win their playoff game at Torrance Park.

Tim McAnany opened the game for the Cubs with a single, Bob Eyer was hit by a pitched ball, Dick Jeckel was safe on an error to score McAnany, and Grego Hugo singled home Eyer.

In the second the Cubs knocked starting pitcher Dave McCormick out of the box with two singles and a walk. After Mike Malloy singled and Bill Barnett walked, McAnany got his second hit to tally Malloy.

In the fourth frame Steve Sweeters got a leadoff walk, McAnany slugged his third single and Eyer backed it up with a hit to score a run.

Trailing 4-0, North picked up two in the bottom of the fourth as Jeff Osborn walked and Joe deLuca singled. After both advanced on a wild pitch, Mark O'Connor doubled to deep left centerfield for two RBIs.

Loyola picked up a run in the fifth when Sweeters singled in Marty Morris who had doubled.

Pitcher Ron Olguin, who worked the sixth and seventh, was tagged with two unearned runs. In the sixth he gave up a walk to Barnett and a single to Eyer, after which Shortstop deLuca muffed a relay in an attempt to get a double play. A sacrifice fly by Morris brought in the final run.

TRACK AND FIELD

Best Showings Fail to Qualify

In spite of record breaking school performances most of South High's top track and field contestants were eliminated from the CIF semi-final meet at Westminster High School Friday night.

Surviving the rugged competition were two finalists from West and one from South High. Warrior Ron Pettigrew placed second in a mile heat in the time of 4:19 and Mike Sellers ran the Class B 1320 heat in 3:12.8 to represent West at the finals at Cerritos College Saturday.

South's lone qualifier is Larry Proctor who vaulted 11'6" in the Class C pole vault.

Outstanding performances which call for school notoriety, but find the performers out of further competition, include four brilliant efforts. South sprinter George Goodson ran the quarter-mile in 49.8 seconds for his best time, but he was third in a heat which qualified only two.

Jenny Jay ran the two-mile race in 9:41.7, bettering his previous record mark of 9:52. Wes Fox ran the half-mile in 1:55.4. He was ousted in a heat race in which Richard Joyce of Sierra ran the fastest time in the CIF, 1:52.8.

Pole vaulter Dave Cronk of South was sixth with a height of 13 feet, 6 inches. Coach Dick Scully of South was disappointed his star athletes failed to qualify for the CIF finals, but he said, "They have to get credit for running their guts out."

Parnelli Hurt at Indy

PARNELLI JONES

INDIANAPOLIS—Race car driver Parnelli Jones of Torrance, having already qualified for the May 31 running of the 500-mile Indianapolis Speedway Classic, crashed his Lotus-Ford car in a practice run Thursday.

Parnelli, 31, escaped the mishap without serious injury. He is reported to be suffering from a small fracture of the fifth cervical in his neck.

Winner of the 1963 Indianapolis 500, Parnelli is driving a rear-engine car owned

by J. C. Agajanian of Los Angeles. The car was badly damaged, but their was some optimism it could be repaired for the Memorial weekend spectacular.

Jones said his car hit the wall in the fourth and final turn of the last lap of a 25-lap engine breaking run. "All of a sudden the backend of the car began to wobble," said Parnelli. "The back then started to steer the front end. I was sure something had broken from the rear suspension. All I could do was get

off the throttle, turn left, and lock it up. When I saw that I was going to hit the wall, I hit the brakes too," he explained.

A further report by witnesses revealed that the car took a half spin, traveling more than 500 feet backward into the outside wall. The car came off the wall, did another half spin and wound up inside the track, more than 100 feet away.

Jones never lost consciousness, but he was treated for back pains and nausea. Later he was taken to Indianapolis hospital for precautionary X-rays.

Jones is awaiting word from his pit crew concerning the status of the car damage. Another rear-engine machine is available in the Agajanian garage, a Lola-Ford built by Eric Broadley of England. The car would be required to make a qualifying run.

The car Jones drove in last week's time trials had an average speed of 158.625 m.p.h., qualifying him for a second row position.
