

### Trustees In Office 100 Years

The Torrance Unified School District is a mere 17 years old, but members of the Board of Education have served nearly 100 years.

That's the total number of years served by the 23 persons who have sat through the board's deliberations during the past 17 years, according to Dr. J. H. Hull, superintendent of schools.

"Many persons in Torrance have expressed their appreciation for services rendered by board members to the community without pay," Dr. Hull said. "Too often," he added, "this is not the case."

FACTS AND figures concerning continuity of board membership were revealed to the new board last week. The report was prepared by Dr. Hull.

Six of the 23 persons held office for five years or more. Mrs. Grace Wright topped all 23 persons with 14 years. Six-year veterans include Carl D. Steele, Dr. Rollin R. Smith, Joseph G. Arnold, and Clinton B. Cooke. William C. Boswell Jr. served five years.

Bert M. Lynn and William J. Hanson have chalked up four years each and are now serving in their second four-year term. Judge John A. Shidler, D. D. Parrish, Charlton A. Mewborn, and Albert W. Charles Jr. all served four-year terms.

DR. KURT T. SHERY has served three years and has two years remaining in his current term. Mrs. Kenneth E. Watts has served two years of a four-year term.

Mrs. Evelyn Carr, Dr. Howard A. Wood, William H. Tolson, Dr. Joseph P. Bay, and W. A. Garrabrant all served three years, while George P. Thatcher served two years. Albert Jackson and Robert H. Ellis served for less than one year.

Dr. Donald E. Wilson has served less than a month in a four-year term which began May 1.

### Auditions Slated for Rec Comedy

Auditions to fill nearly 100 roles requiring singers, actors, musicians, and dancers for the musical comedy "Good News," a summer vacation presentation of TOR Productions, will be held on June 15 and 16, from 7 to 10 p.m., at the Torrance Recreation Center, 3341 Torrance Blvd.

Many drama and music instructors have information sheets for interested students, or students may phone the Torrance Recreation Department which sponsors the activity. Information may also be obtained by phoning the coordinating agency, the Los Angeles County Department of Parks and Recreation, 553.

ALL TRY-OUTS are on an open competitive basis. Applicants must have reached their 13th birthday prior to the first scheduled rehearsal and must not have reached their 21st birthday before the closing performance date.

"Good News" will be presented in the Torrance High School Auditorium on July 29, 30, and 31. Torrance High drama instructor, Ralph Slater, will stage the production. Donnelly Fenn of West High School will be music director and Ron Large of the same school will coordinate the orchestra.

### Bureau Needs Baby Sitters Wednesdays

Two women, who will volunteer three hours every Wednesday to supervise young children, are needed by the Volunteer Bureau, Harbor-South Bay.

The mothers of the young children wish to attend classes in home management but cannot do so unless someone will assume their responsibilities once a week.

Further information is available by telephoning Mrs. Arthur R. Turner, TE 3-5227 Monday, Wednesday, or Friday mornings from 9 until noon.
