The second date will be Aug. 15 with the Ed Clark musical evangelists. Rev. and Mrs. Clark are known for their sound preaching backed up with choice musical numbers. They will be present for the 10:45 a. m. and the 7:30 p. m. meetings.

The public is invited to attend all services.

Dr. Cole Pryor, executive director of the International Association of Religious Science Churches, will be the guest speaker Sunday at the Church of Religious Science, 907 Knob Hill Ave., Redondo Beach.

REV. CLYDE FREEMAN To Conduct Meetings

Magician To Conduct Meetings

Grace Community Church, 4102 Hickman Drive, will begin a youth-sponsored Family Crusade at the church Sunday morning, according to the Rev. Kenneth Daniels, pastor of the church.

Sunday's meeting will be held at 9:45 a. m. as part of the Sunday School program. Nightly meetings will be held Monday through Friday at 7:30, with registration beginning at 7 o'clock.

The Rev. Clyde Freeman and his wife, Alice, will conduct the meetings. The Rev. Freeman is a Christian magician and belongs to the Magician's Guild of America. He will conduct several demonstrations during the week-long crusade.

A chalk artist, the Rev. Freeman will illustrate many of his messages with fluorescent chalk and "Black Light." Films and color slides also will be used during the meetings.

The Rev. Freeman, an Anaheim resident, is pastor of Grace Baptist Church in Anaheim.

The Rev. and Mrs. Daniels have moved to Torrance and are now residing at the parsonage, 4103 W. 175th St. In addition to his duties as pastor of Grace Community Church, the Rev. Daniels is director of the Christian Service Department of Biola College in La Mirada.

Lesson on 'Spirit' Set For Sunday

The protecting influence of God in the life of the Apostle Paul will be brought out in the Bible lesson at Christian Science church services this Sunday.

The subject is "Spirit" and the responsive reading will include this statement from Paul's first letter to the Corinthians: "The manifestation of the Spirit is given to every man to profit withal."

A central theme of the service will be presented in these lines from the Christian Science textbook: "The history of Christianity furnishes sublime proofs of the supporting influence and protecting power bestowed on man by his heavenly Father, omnipotent Mind, who gives man faith and understanding whereby to defend himself, not only from temptation, but from bodily suffering."

'Viewpoint' Subject at Unity Church

"Another Viewpoint" will be the subject lesson Sunday at the Unity Church of Christianity.

"As we make an effort to see the good in other persons

we realize that we have moved to a higher level of understanding by taking another viewpoint. Steadfastly affirm, 'God is Good,' and only good can come out of this person or from this situation."

Requests for prayers and information will be received at 320-4871.

Services for adults and children begin at 10:50 a. m. in the Walteria Park Building, 3855 W. 242nd St.

Pima cottons are made of extra long staple fibers.

In Gardena Dancers Highlight Festival

Some 600 dancers will perform the traditional Obon Odori Dance this weekend in Gardena as the Gardena Sahghas hold their annual Obon Festival at the Gardena Buddhist Church, 1517 W. 166th St.

The festival is scheduled Saturday and Sunday from 4 to 11 p. m., according to Diane Iwamoto and Kent Takahashi, co-chairmen of the festival.

Obon commemorates the unselfishness of one of Buddha's disciples and is essentially a memorial to honor the dead. A festive mood prevails, however, reflecting the Buddhist joy in the compassionate power of Buddha to save all.

The annual festival is sponsored by the Senior and Junior Young Buddhist Association and other church organizations. Boys and girls of all ages will be dressed in colorful kimonos for street dancing to be held both nights at 7 o'clock.

A special Obon church service will be held at 1:30 Sunday afternoon. The public is invited to attend the festival. Games and ride concessions will be operated and both Japanese and American foods will be available.
