**'Soul' Topic For Lesson**

"Soul" is the subject of the lesson-sermon to be read in all Christian Science churches this Sunday. Bible selections will be include the following from Isaiah: "The sun shall be no more thy light by day; neither for brightness shall the moon give light unto thee: moon given light unto thee: but the Lord shall be unto thee an everlasting light, and thy God thy glory."

This theme will be developed in related passages from the Christian Science textbook: "Day may decline and shadows fall, but darkness flees when the earth has again turned upon its axis. The sun is not affected by the revolution of the earth. So science reveals Soul as God, untouched by sin and death—as the central Life and intelligence around which circle harmoniously all things in the systems of Mind"
