

## Annual YWCA Meeting Scheduled Next Monday

Dr. Wendell L. Miller, lecturer, humorist, and world traveler, will be the featured speaker Monday evening at the fifth annual membership meeting of the Torrance YWCA.

Dr. Miller, pastor of the Manhattan Beach Community Church, will present an illustrated lecture on "Adventures in Africa." He has traveled extensively throughout the world and has led tours around the world each summer.

As a member of the American Seminar, he traveled for three consecutive years in Europe, interviewing government leaders in several European nations. He also has visited the Soviet Union and other Iron Curtain countries on several occasions.

DR. MILLER has been a clergyman for the past 39 years and is a member of the International Platform Association. He is listed in "Who's Who in America," "Who's Who in the West," and "Who's Who in Methodism."

## Planning Aide Due In Lomita

Increased building activity in Lomita, Rolling Hills, Rolling Hiss Estates and surrounding unincorporated areas has resulted in the assignment of an additional full-time staff member of the Regional Planning Commission to the area.

Supervisor Chairman Burton W. Chace asked to have the added man assigned to the commission.

"At present, Lomita and Peninsula area residents and developers who must meet with the Regional Planning Commission often face a 60-mile round trip to downtown Los Angeles for service and assistance on planning matters," Chace said.

The new man, working in a regional office here, will be able to assist these persons in the development of the area, Chace added.

The regional office will be located in offices occupied by the County Engineer at 1823 W. Lomita Blvd.

Monday's meeting will be held in the new clubroom at the YWCA, 2320 W. Carson St., beginning at 7 p.m. A Samoan buffet dinner will be served and guests will be entertained by a group of Samoan dancers.

A financial report, a resume of activities for the past year, and the announcement of election returns for new members of the YWCA Board of Directors are included on the program.

TICKETS FOR THE meeting, which is open to the public, may be obtained by call-

"The annual membership meeting is the climax to a year of work in the community," Mrs. Kenneth McVey, chairman, said. "It will give up the opportunity to review our accomplishments and to look toward new goals."

Members of the committee planning Monday's program include Mrs. C. B. Mitchell, Mrs. James Bell, Mrs. Philip Clark, and Mrs. Wright.
