

# Menveg Names Virden Campaign Chairman

Appointment of Charles Dean Virden as chairman of the Menveg for Senate Committee of Torrance was announced this week by Lloyd A. Menveg, Democratic candidate for the state senate in the 32nd district. Area headquarters for Menveg's campaign are at 16501 S. Hawthorne Blvd., Lawndale.

Virden, an accountant tax auditor and Torrance homeowner, said that he accepted the local chairmanship of the Menveg campaign "with enthusiasm because I heartily endorse Lloyd Menveg's program for relief from excessive local property taxes."

Noting that property owners of Torrance are carrying a particularly heavy burden of school taxes, Virden continued, "Lloyd Menveg is the only candidate in our new 32nd district who has come up with a practical plan for legislative relief, because he realizes that the key to our present dilemma lies in the State Senate. For the past 30 years, it has been dominated by senators from rural counties of northern California, who have perpetuated the inequitable formulas for the distribution of state tax funds. Our state tax dollars have been used to subsidize northern school districts, while we have had to make up the deficit here by heavy taxes."

"Now that the Reapportionment Act has given Los Angeles County and the Southland equitable representation in the State Senate, this unjust situation can be remedied. But it will not be done automatically. We must elect a man like Lloyd Menveg, who has the knowledge, ability and courage to carry new legislation that will assure us of our fair share of state tax funds, bring millions of our own tax dollars back into this area to help meet the increasing expenses of our schools, and relieve the load now borne by local taxation."

Virden, a World War II veteran of the U. S. Army Air Corps, is active in El Toga Shrine Club, Al Malaikah, Kiwanis, Boy Scouts, and YMCA Indian Guides. Mrs. Virden has recently retired after seven years as a policeman with the Torrance Police Department. They have three children, Cherie, 15, Nannette, 14, and Charles Jr., 9.
