BUG CATCHER?

You bet! The TOYOTA CORONA not only catches 'em... it PASSES 'em. And no wonder. The Toyota Corona is the new, hot runner on the road. It has 90 horses and a husky 1900 cc engine under its hood. And, it accelerates to over 90 mph in a flash... snaps 0-60 in 14 seconds flat. And, when you uncoil the torque of 110 ft. lbs. @ 2600 rpm, the Corona flattens the hills... passes the slow and pokey... maneuvers and corners with sportscar ease. This power-laden sports sedan is stylish, too. It has 4-door roominess and foam-cushion comfort. And, it has 47 other luxury features, including optional Automatic Transmission. Test-drive the TOYOTA CORONA today. You'll see why this New Hot One is the coming champ in the sportscar, familycar, economycar field.
