

# Tartar Teen Talk

By Jeanne Rubeo

The next few weeks will be quite important ones for the students at Torrance High.

Tomorrow night THS will inaugurate a new and exciting awards program. It is the achievement awards banquet. Students are awarded for excellence in one of the several areas of the school program. It will be held in the boys' gymnasium at 6:30.

DELIGHTFUL sounds of music will be featured May 2, when the Tartar Music Department holds its Annual Spring Concert. This is a music highlight of the year. A wonderful program has been planned and we hope you will

support the school by attending this activity.

All students who are planning to run for a seat on student council are required to hand in your applications this week, and most will start memorizing those speeches because next Monday is the A.S.B. and call.

Last Thursday night the annual Sports Awards Banquet was held. All letterman received their letters for the past year. The American Blanket Awards were given to Terry Tiedeman, football; Fred Carpenter, basketball; Bob Sharp, baseball; Jim Miller, cross country; Jorge Martinez, wrestling; Mike Thom-

as, track; and Alan Johnston, tennis. Bob Sharp was named Torrance Athlete of the Year for his fine performance in football and baseball.

Another highlight was the announcement of Bob Dehn being selected as athlete with the highest grade average.

THE FALL semester class elections were held last week and the winners were as follows. Senior class officers are Mary Boughen, president; Marian Denler, vice president; Charlotte Cagaanan, secretary; and Dede Dyer, treasurer. Junior class officers are Mike Belzer, president; Yvonne Marte, vice president; Patsy Landerville, secretary; and Pam Boswell, treasurer. Sophomore class officers are Janie Hines, president; Marsha Lehr, vice president; Barbara LeGrande, secretary; Barbara Moffit, treasurer.

## Mrs. Carver To Address Church Group

"You Have a Purpose" is the title of a public lecture coming to San Pedro next Thursday, May 26, at 8 p.m. under sponsorship of Seventh Church of Christ Scientist.

Josephine H. Carver, CSB, a recognized practitioner and teacher of Christian Science, will speak in the church edifice, 1010 S. Cabrillo Ave., San Pedro.

Mrs. Carver has been active in the Christian Science healing ministry for many years, and is now on tour as a member of the Board of Lecturers of The First Church of Christ, Scientist, in Boston.

She is a graduate of Occidental College in Los An-

MRS. JOSEPHINE CARVER

geles, and also holds a degree from Columbia University, which she obtained after a period of study and travel in Europe.

The public is being invited to attend the lecture. Doors will open at 7:15 p.m.

## Voters League Issues Candidate Information Sheet for Primary

Election Extras, containing biographical and position statements of all candidates for statewide and countywide offices in the June 7 Primary Election, are available to the public at all Torrance libraries, according to Mrs. William Radcliffe, president of the Torrance League of Women Voters.

Replies to questionnaires sent to all candidates for governor, lieutenant governor, controller, secretary of state, attorney general, treasurer, and superintendent of public instruction have been reprinted in the candidates' own words by the League of Women

Voters of California. Duties of each of the contested offices are also outlined.

County candidates replying to the questionnaire compiled by the League of Women Voters of Los Angeles County were those seeking the offices of sheriff, assessor, supervisor, and judge. Background information and pro and con arguments on the two county ballot measures are also included in the county publication.

Information concerning quantities of the Election Extras may be obtained by calling 320-5301.

The League of Women Voters is a non-partisan or-

ganization which neither supports nor opposes candidates, Mrs. Radcliffe stated.
