

WILLIAM FORREST Gets Degree

### Forrest Awarded Degree

William Forrest, principal of Madrona Elementary School for the past eight years, has received a doctoral degree in education from the University of Southern California.

The 44-year-old native of Minneapolis has been affiliated with the Torrance Unified School District since 1954. He has taught at Madrona, served as vice principal at Perry and Carr schools, and served as principal of El Nido and Madrona schools.

Prior to coming to Torrance, he taught for four years in the Palos Verdes district.

A GRADUATE of Inglewood High School, he attended Los Angeles City College, and received his bachelor's and master's degrees at USC.

He is a veteran of World War II, having served as an aircraft navigator with the U. S. Air Force. At the present time he holds the rank of major in the reserves.

DR. FORREST and his wife, Doris, are parents of a daughter, Kathleen, and a son, Brian. He is presently serving on the board of the Riviera Methodist Church, is camp committee chairman for the Torrance Family YMCA, and is past president of the Torrance Elementary School Principals Association. He is a member of the Torrance Education Association, the California Teachers Association, and the National Education Association.

His doctoral thesis consisted of a follow-up study on teacher training procedures conducted by USC and the Ford Foundation.

### Teenagers Take Over Rec Center

Torrance teenagers are going to take over the Joslyn Recreation Center for one day each week during the summer.

The Center, site of art and cultural activities sponsored by the Torrance Recreation Center, has been reserved exclusively for teenagers on Saturday—and those under 13 or older than 18 had better stay away.

The eight-week session will feature a choreography workshop, fine arts classes, and a folk guitar class.

PARTICIPANTS in the morning program, which meets from 10 until 12, may enroll in a fine arts class to be taught by Darwin King, or in the choreography workshop, to be taught by Gayle Goodman.

The afternoon session, from 1 until 3 p.m., will include a folk guitar class under the direction of Donnelly Fenn, and a second meeting of the fine arts class.

CLASSES begin this Saturday and will continue through Aug. 20. Fee for the full day's program is \$5 for the session. Individual classes in fine arts and guitar are \$3 per person for the eight weeks.

### 'Trip to Moon' Scheduled At Griffith Observatory

Interstellar space is conquered by the Zeiss projector during the astronomical show "A Trip to the Moon," currently at Griffith Park Observatory's planetarium theater, according to the Los Angeles City Recreation and Parks Department.

Dr. Clarence H. Clemmshaw, Observatory director, said that the scientific center is open every day of the week through Sept. 11 with shows scheduled at 3, 8 and 9:15 p.m. daily and extra shows offered at 1:30 and 4:30 p.m. weekends.

By means of multiple projectors that simulate movement through the solar system, audiences are transported from earth to a crater on the moon.

Photos of the moon taken on recent lunar probes are utilized on the trip to the satellite and during a "soft" landing on the lunar surface.

Dr. Clemmshaw added that the Observatory Hall of Science features many interesting exhibits including a telescope, a submarine periscope, and various experiments demonstrating the nature of the physical world. The Observatory is open weekdays from 2 to 10 p.m. and weekends from 1 to 10 p.m.

### Dance Class Scheduled

A "Round Dance Class" featuring variations of the two-step and the waltz will be offered at the Joslyn Recreation Center on consecutive Thursdays, beginning July 7. The class, to be taught by Ted Wagner, will meet from 8 until 10 p.m. A fee of 75 cents per person will be charged for each meeting.

Information about the dance classes may be obtained by calling the Joslyn Recreation Center at 328-8362.

### Pay Hike Designed to Stimulate Recruits

Sheriff Peter Pitchess has announced plans designed to stimulate recruiting for the Los Angeles County Sheriff's Department, Effective July 1, 1966. Deputies will be recruited at a starting salary of \$641 per month, with a raise to \$677 upon successful completion of the six month probationary period.

The new top-step salary is \$755 per month, and is attained after two and one half years of service.

"I feel that this new program will assist materially in recruiting Deputies. We need qualified young men who can apply their skills and talents in professional law enforcement with the Los Angeles County Sheriff's Department," Pitchess said.
