Speed is the greatest killer on the highways.

Seven Officers Graduate, Nine Enroll in Class

Seven Torrance police officers have been graduated from recruit training at the Los Angeles Sheriff's Academy in Los Angeles. Police Chief Walter R. Koenig has announced.

Nine more officers — including one policewoman — have been enrolled in recruit training classes which began Monday at the academy.

Officers must complete 16 weeks of recruit training which includes instruction in basic police procedures, laws of arrest, criminal law, civil rights, defense tactics, patrol methods, court demeanor, public relations, and first aid.

THE NEW graduates are: Richard Paul DeSpain, 23, a South High graduate and veteran of the U.S. Army.

Edward Estrada, 22, a North High graduate who ma-

joined in police science while attending El Camino College.

John W. Peterson III, 22, a North High graduate who recently returned from Viet Nam after a tour of duty with the U. S. Navy.

Steven G. Rigg, 21, a graduate of Hawthorne High School, who attended El Camino and Pepperdine College.

James N. Griffith, 23, a Lennox High School graduate.

Clayne C. Virgin, 27, formerly a reserve policeman in the Hawthorne Police Department and veteran of the National Guard.

Gerald L. Butler, 23, who attended San Bernardino Valley College and California State College at Long Beach.

THE NINE officers now enrolled in classes at the Sheriff's Academy are:

Policewoman Florence S. Gordon, recently promoted from police matron; Lanny K. Harris, 25; Manuel M. Gonzales Jr., 28; Larry Paul Caudill, 23; Ervin Edmund Palica, 21; Donnie Lee Smith, 22; Victor Robert Grijalva, 22; Timothy Carl Richards, 23, and Thomas Joseph Morgan, 24. Morgan is a former Newark, N. J., police officer.

Last Call Issued for Showcase

The Torrance Recreation Department has extended a last call for local talent to participate in the Sunday Showcase Variety Show.

The final show of the summer will be held Aug. 21, at 2 p.m. at Lago Seco Park, 3920 W. 235 St.

More than 800 participants have taken part in the Showcases this summer according to Miss Carrie Luger, program coordinator.

"We ask people to perform for the fun of performing. It's great to see people spending leisure time doing something entertaining rather than sitting back and being entertained," she said.

Previous performers have entertained at Torrance parks with rock-and-roll music, Dixieland music, dancing, and folk singing.

The final Showcase will feature Rob Beach, a 7-year-old gymnast who took part in the department gymnastics instructional program, and Karla Crouse, a toe tap dancer who just recently moved here from Canada.

'Soul' Topic Of Lesson This Sunday

"Soul" is the subject of the Bible lesson-sermon to be read in all Christian Science churches this Sunday.

The Golden Text is from Deuteronomy — "The Lord your God proveth you, to know whether ye love the Lord your God with all your heart and with all your soul."

Reading from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will include this explanation: "The Divine Being must be reflected by man."

else man is not the image and likeness of the patient, tender, and true, the One 'altogether lovely,' but to understand God is the work of eternity, and demands absolute consecration of thought, energy, and desire."
