

Gardena Crusade Continues

Former All-American athlete and Cleveland Browns' professional football player Gerry Craft is being featured at a California Youth Crusade which will continue through Sunday, Aug. 21.

The crusade, sponsored by some 20 Southern California churches, is meeting in a specially built 3,000-seat bowl at Vermont Avenue and Compton Boulevard, Gardena.

Theme of the crusade, which is programmed for junior high, high school, and college students is "God Is Alive."

Special music will be featured at each meeting, according to Dr. K. O. White, mission coordinator for the Southern Baptist Churches in Los Angeles and one of the sponsoring ministers.

The public is invited to attend all the services.

Viet Nam Tops His Mail Call

The war in Viet Nam drew the heaviest mail from residents in the 28th Congressional District in June, Congressman Alphonzo Bell has announced.

Bell, a Republican, said Viet Nam was the subject of letters topping and ending the list of the ten most important issues in his district as reflected by his mail.

Letters urged him to:

- Support the present conduct of the war in Viet Nam.
- Criticize inequities in the Selective Service deferment procedures.

- Oppose admission of Red China to the United Nations.
- Express concern about increasing use of narcotics and of LSD.

- Urge adoption of the proposed 1966 civil rights bill.
- Express concern about court decisions affecting law enforcement.

- Advocate legislation to establish automobile safety standards.
- Oppose the housing section of the 1966 civil rights bill.

- Express concern about the withdrawal of France from NATO.
- Urge de-escalation and military withdrawal from Viet Nam.

Stanza from Psalm 147 is Golden Text

"Great is our Lord, and of great power: his understanding is infinite." This well-known verse from Psalm 147: the Golden Text for this week's Bible lesson-sermon on "Mind" to be read in all Christian Science churches on Sunday.

Included among the explanatory readings from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will be these lines: "Nothing is new to Spirit. Nothing can be novel to eternal Mind, the author of all things, who from all eternity knoweth His own ideas. Deity, as satisfied with His work, was satisfied with His work, how could He be otherwise, since the spiritual creation, as the outgrowth, the emanation, of His infinite self-complacency and immortal wisdom?"

'Adventure' Is Set as Subject

William P. Baxley will peak on "Direction for Adventures" at the 9:30 and 11 a.m. services Sunday at the Church of Religious Science, 97 Knob Hill ave., Redondo Beach.

Mr. Baxley, sales manager in radio and television for many years, is a student and lecturer on philosophical and religious subjects from the business layman's point of view. He offers a "philosophy of living" for life in today's world.
