

Pre-Nuptial Carrie Luger to Teach Party Fetes In Huntington Beach Bride-Elect

Mrs. William Lafay, 18010 Bailey Dr., Torrance, honored Miss Barbara Bennett, bride-elect, at one of several pre-nuptial affairs, a surprise dinner party and shower at her home on Aug. 1.

Table decor featured a pink and white theme, enhanced by a rose centerpiece. Dessert was highlighted by a white cake made and beautifully decorated with white doves by Mrs. Frank Hadley.

The guest list included Mmes. Robert Buchanan and David Allison of Redondo Beach; Frank Hadley, Torrance; Orvan Glaze, Montebello; Pat Bennett, Torrance; Misses Robin and Cindy Glaze, Montebello. Mrs. Frank Stevenson of Hermosa Beach and Mrs. Edna Everett of Torrance, sent gifts but were unable to attend.

Barbara is the daughter of Mrs. Pat Bennett, 1327 Greenwood, Torrance. Her grandparents are Mr. and Mrs. George Green of Clovis, California, former long-time residents of Torrance. She will become the bride of Richard Gallant of South Portland, Maine, at an Aug. 20 ceremony at First Christian Church of Torrance.

Miss Carrie Luger of Torrance has been selected to join the faculty of the Fountain Valley School District in Huntington Beach this September and to take part in the experimental project known as the League of Participating Schools.

Arrevalos School, in which Miss Duger will teach six and seven-year-olds, is the Fountain Valley representative to the League, and is concentrating its experimentation on a non-graded classification of students and

individualization of instruction. It will report its findings to the central League office in Westwood, as will the twenty other participating schools.

This program is designed to narrow the gap between research and innovation on the one hand and general school practice on the other. The feeling is that research is at least 30 years ahead of teaching methods in use today.

Under the financial sponsorship of the Kettering Foundation, the League is directed by Dr. John I. Goodlad, Professor of Education at UCLA. It is a network of twenty schools in Southern California in which programs to serve as examples for other schools will be developed. This plan will have an educational impact on more than 12 million people in Southern California.

Miss Luger, daughter of Mr. and Mrs. Charles Luger, 3427 W. 225th St., is a graduate of South High, El Camino College, and UCLA. She has been associated with the Torrance Recreation Department, and is currently the producer of its "Sunday Showcase."
