WHICHEVER COMES FIRST

HERE'S HOW CHRYSLER'S ENGINE AND DRIVE TRAIN WARRANTY CONTINUES TO PROTECT YOU. Chrysler Corporation warrants all of the following vital parts of this car for 50,000 miles or five years after delivery to the original purchaser, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles whichever comes first; replace oil filter every second oil change; clean carburetor or filter every 6 months and replace it every 2 years; and every 6 months burnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage.
