Choice of Five Football Games Offered

SEPT. 21, 1966 D-1

Football Opens On Home Front

By HENRY BURKE
Press-Herald Sports Editor

One of the nicest things about the opening of the high school football season Friday is the schedule. A school within the Torrance proper has the inconvenience of traveling this weekend. Torrance buses to Redondo and North takes over the Torrance Stadium for a home game with Glendale.

South entertains Long Beach Jordan and West is host to Rolling Hills. On the Bishop Montgomery farm is the Knights' outing against Mira Costa.

Once again North High has arranged an ambitious, two-game non-league schedule against Football League powerhouse Glendale, followed by one week against Santa Ana Valley of the Sunset League.

Ed Levy of North, having been in charge since 1962, is the senior coach hereabouts. He will present an aggressive varsity on opening night.

He who has no particular favorite in mind could easily catch one quarter of four games. For a starting point go to South High School, Pacific Coast Highway and Calle Mayor. If things are not going too well for South or Long Beach Jordan after one quarter, you can drive over to Torrance and Palos Verdes Blvd. to catch the second quarter of the Bishop Montgomery-Mira Costa game. This one may be the top treat of the evening. A passing game will probably be featured.

It won't take but a moment during halftime to drive the few blocks along Henrietta Street to eye the third quarter of the West-Rolling Hills game. If you like a staggering running game, this is the baby.

For the fourth quarter of the Redondo-Torrance game, drive west near Del Amo Blvd. and listen for the echo of Coach Harold Warfle yelling to his Tartars, "MOVE! MOVE! MOVE!"

Warfle is already a candidate for "Rookie Coach of the Year," even though his team has yet to play a game.

Warfle is a big husky brute of a man who will handle the linemen as his specialty assignment.

None of the players in his right mind will dare talk back to Mr. Warfle. Let's say the coach's program of self-discipline among the football team makes sense. Who could face up to him after breaking training?

Somehow, Warfle must be considered a good guy. He was one of four or five men considered for the head coaching job after John Tranthan returned to Texas last spring. Leonard Peden of Charter Oaks was first to be hired, but after about one week in Torrance, Peden disappeared!

Spring training was already at hand and assistant coach Ron Veres was reported headed for Aviation High School. The administration became desperate for a coach. Warfle was summoned to the rescue.

So far, Warfle has been particularly cautious in commenting about the squad. Hal remembers only too well some of the optimism at the start of last year that led to a miserable 1-1-7 record. An upset win over Morningside on the tailend of the campaign salvaged an otherwise lackluster season.

In a scrimmage against North High Monday, enthusiasm ran high throughout the Torrance squad. Both the Tartars and North High delighted their followers during the afternoon, although the Saxons may have all-around edge in depth to show for it.

Coach Warfle, however, gives the impression a great deal can be accomplished on the practice field and he is anxious to work overtime at it this fall.

Three TDs Scored by Oiler Back

The Pop Warner football season opened Sunday at West High School with Pee-wee Mike Cooper scoring three touchdowns and three conversions as the Torrance Oilers downed the Torrance Knights, 40-0.

The Torrance Boiler-makers trailed the Lomita Falcons 13-0 after one quarter, but came back for a 27-25 win. In another all-Torrance game the Mustangs blanked the Vikings, 22-0.

The midgets were led by the Torrance Chargers who crushed the Hawthorne Hornets, 34-7. Jerry O'Brien ran for 26 and 1 yard touchdowns and threw touchdown passes of 25 and 30 yards to Rick Moorbeck and Larry Affentranger.

The junior bantam Torrance Tigers were belted by the Gardena Meteors, 25-7.

RAM FOOTBALL

Dick Bass Nears Offensive Mark

Dick Bass this week is the all-time No. 2 ball carrier of the Rams. The stocky fullback, by piling up 68 yards in the victory over the Chicago Bears last Friday night at the Coliseum, ran his career total to 3354 yards, passing Tank Younger, who had 3296 yards, and pulling closer to Deacon Dan, Towler, who holds the club record at 3493 yards.

Roman Gabriel continued his spectacular passing to boost his completion percentage to .625 with 35 completions in 56 throws for 509 yards.

Tom McDonald held his receiving lead with 14 catches, but Tom Moore moved into second place with 11.

Team offense after two games maintains a commanding lead over the opposition, with 715 yards rushing and passing to 476.

Racing Set For Pomona

Given great impetus from its best opening in history, the 1966 Los Angeles County Fair's 14-day racing season continues with this week's schedule climaxed Saturday by the 19th running of the \$10,000 added C. B. Affentranger Memorial Handicap. The mile and one-sixteenth Affentranger Handicap, which honors the late founders of racing at the Fairgrounds, paves the way for the richest event of the 14-day season, the \$20,000 added Pomona Handicap at a mile and one-eighth on closing day Oct. 1.

Preps Debut Friday

By HENRY BURKE
Press-Herald Sports Editor

Wonder what's new with the start of the new football season Friday?

Well, for a starter, Torrance High introduces Harold Warfle as its new head coach, while South High and North High each have a newcomer for their non-league football series.

Instead of kicking off the season against Palos Verdes, South Coach Ken Swift sends his Spartans against Long Beach Jordan and North Coach Ed Levy has switched Glendale for Warren High.

For the first time Bishop Montgomery High takes on a Bay League opponent, namely Mira Costa. Montgomery's opener last year was St. Genevieve. It meant little to those who celebrated the victory, other than the score was 39-6.

The only traditional opening night is between Redondo and Torrance. The 20th renewal will be at Seahawk Bowl. Redondo was a 14-0 winner last year.

West repeats against Rolling Hills at home. West won a year ago, 32-14.

Now, let's take a look at some of the top players this coming year and attempt to list them.

Torrance fans can expect Mark Hornbeck to run with the ball considerably from his T-back position. The Tartars have several returning regulars including QB Bill Bynum, Halfback Dave Kline, and lineman Bob Cano, John Standridge, Richard Rodriguez, Bill Walsh and Doug Kelsey.

Center Fred Kendall, who sat out his junior year, helps bolster the line.

North High has a stocky tackle, Steve Sharp, who will be known as Mr. Saxon this year. He will be in on most tackles, even if he gets there late once in a while. Steve is matched with another tough cookie — Walt Wheelis, 6-4, 185-pounder.

For good measure the Saxons have the best 11th grade

tackle in the area — Rick Francis. He is 6-foot and 235 middle.

Considering how effective West High's offense moved a year ago, the return of several "animals" is encouraging once again. The group is led by All-CIF guard candidate Allen Coward and sidekicks John Black, Steve Sirridge, Mike Mentz, Steve Renz, Dave Boyd and Rich Schwanbeck.

Returning in the backfield are speedsters Joel Hons, Bill DeWaide and Gary Singleton.

West High of the Pioneer League and Bishop Montgomery of the Camino Real League are champion contenders. The other schools will have to get a game or two under their belt before anything definite can be said about them.

The best of South High has Greg "Snapper" Douglas at quarterback, Jeff Arrieta at tailback, Bob Priestly and Rick DeArmitt at guard, and Augie Felando at end.

In a scrimmage last weekend the Spartans found their defense lacking against an aerial-minded Bishop Montgomery. South, however, exerted an improved offensive game of its own.

Montgomery's passing game, spearheaded by QB Danny Graham, is supported by a strong running game. Ed Gilles, Bob Comstock and Chuck Bongard can bolt for the Knights.

Center Pat Kealey, Guards Rich Pipkin and Charlie Reade, and Tackles Mike McClain and Mark Leamy are a

El Camino Takes on Pierce

Metropolitan Conference teams, still undefeated after a highly successful opening round of practice games last week, tackle seven more non-conference foes this week end, with new Rio Hondo Junior College playing its first football game ever.

This fall a league will be formed consisting of the teams signing up at McMaster Park, 3624 W. Artesia Blvd., or Walteria Park, 3655 242 Street. Girls may sign up as individuals or with their own team.

For further information concerning the fall volleyball league for girls, contact Mrs. Viah Johnston, sports secretary, 328-5310, Ext. 244.

Long Beach, Glendale at East Los Angeles, and San Mateo at Santa Monica. Saturday's games include Yakima Valley (Wash.) at Bakersfield, Fullerton at Valley, and Pierce at El Camino.

Thanks to Santa Monica's unexpected 6-6 upset tie against highly favored Fullerton on TV, Metropolitan Conference teams compiled a 4-0-1 record in their five collisions last week.

Bakersfield blistered Mesa of Colorado, 47-2; Long Beach defeated Azusa Pacific, 28-12; Quarry's clutch throws to Hubert and MacGuillivray in the ritos won its 11th straight second half.
