Spartans Speak

By Terry Dorn

This Friday is Homecoming Night. The school cafeteria will be filled and the Esquires will be playing the Homecoming theme, "Memories Are Made of This." We hope to see many seniors and alumni there. This is the dance where quite a few memories will be recalled and many made.

This year there are several new school clubs. Among them is the Symposium Club for those science and mathematics enthusiasts. There is a Soccer Club that will be meeting after school for guys who like to kick a ball around. They hope that Soccer will eventually evolve to a Bay League sport. Then there is the Literary Club for future librarians and "Les Gambettes" for those who wish to release some of their expressions through creative dance. Certainly no one can say that Spartans are not active.

Dills Wins Backing of Area Groups

Judge Ralph C. Dills, democratic nominee for the State Senate in the 32nd District, said this week he has been assured of support from both labor and management in the campaign to win the Senate seat.

Dills, who served several years in the legislature before he was named to the Municipal Court Bench, said he has received the backing of the California Retailers Association, the Retail Grocers, the Pharmaceutical Institute, Southern California Businessmen's Association, and the Property Owners Association. In addition, he said, the Veteran's Political Committee, the Association for Better Citizenship, and the California Equipment Rental Association also have endorsed his candidacy.

THE CROSS Country team captured the overall sweepstakes at the Dominguez Invitational. Yesterday they ran against Redondo. South is coming up strong again this year. Those fellas are doing a fine job.

Christine Madsen, our "Youth for Understanding" foreign exchange student from Copenhagen, Denmark, has already become very active in South High affairs. She is a member of Athena and the French Club. She tried out for the all-school play. She is taking U. S. Government, biology I, senior English, French III, and typing. She is living with the Oberlander family and is enjoying her stay in America.

THE JUNIOR class paper drive will continue through Saturday. Please help and contribute to this fund-raising activity. For further information, contact Nancy Vogl, Commissioner of Activities.

The players have been selected for the all-school play, a musical comedy extravaganza, "Annie Get Your Gun." Annie Oakley will be played by Peggy Gehl. Frank Butler will be played by Joel Schneider. Charlie will be played by Richard Harris and Winnie and Tommy will be played by Patty Kopatz and Mark Alexander.

Will Hear Top Officer

Glenn W. Miller, southern region vice president of the California Society of Professional Engineers, will be the speaker tomorrow at a meeting of the Palos Verdes Peninsula chapter of the association. Miller will speak on the structure, operation, and practices of the group. The meeting is scheduled at 7 p.m. at the Jump 'n Jack Restaurant.

New Discovery Now Makes It Possible to Shrink And Heal Hemorrhoids Without Surgery

Stops Itch—Relieves Pain in Minutes

New York, N. Y. (Special): A world-famous institute has discovered a new substance which has the astonishing ability to shrink hemorrhoids without surgery. The sufferer first notices almost unbelievable relief in minutes from itching, burning and pain. Then this substance speeds up healing of the injured tissues all while it quickly reduces painful swelling.

Tests conducted under a doctor's observations proved this so—even in cases of 10 to 20 years' standing. The secret is the new healing substance (Bio-Dyne®)—now offered in

both ointment or suppository form called Preparation H®. In addition to actually shrinking piles—Preparation H lubricates and makes bowel movements less painful. It helps to prevent infection (a principal cause of hemorrhoids).

Only Preparation H contains this magic new substance which quickly helps heal injured cells back to normal and stimulates regrowth of healthy tissue again. Just ask for Preparation H Ointment or Preparation H Suppositories (easier to use away from home). Available at all drug counters.
