

Tarter Teen Talk

By Pam Anderson

Has the Tartar Varsity in the Safety Economy Run doubled? No, but it looked Saturday. They are: Sharon like it as the fathers of the team were honored at "Dad's Night." The dads were seated beside their sons and were also honored during halftime by the band, pep squad and drill team.

Girls' Athletic Association will sponsor a car wash Saturday in the Annex parking lot. The price is only \$1, so bring your car in for good wash job between 10 a.m. and 3 p.m.

Flowers of congratulations to Queen Dede Dyer and her court upon being selected to represent THS for Homecoming 1966. Our foreign exchange student Barbara Patzek who was selected as honorary princess by the student council, Charlotte Cagaanan, Marian Denier, Bonnie Ellis, and Wendy Cedarburg will reign at the halftime festivities and at the Homecoming Dance directly after the football game Friday, Nov. 4.

GOOD LUCK to those students who will represent THS

Tomorrow they finally arrive? The Juniors will receive their class rings that were ordered in May.

THE STUDENT council has established a tradition to honor the athlete of the week—the outstanding player in the previous varsity football game. To bring you up to date, the recipients of this award have been Doug Kelsey (Redondo), Mike Donish (West), Bill Bynum (Lennox), and Bill Walsh (Aviation).

Last Friday, Warfles' Wildcats lost the league opener to Beverly Hills. This Friday, the Tartars plan to win the second league agne against the Leuzinger Olympians at their field. Come out and support the team!

Later . . .

WARRIOR TRAILS

By Robin Newcomer

Congratulations to the freshman class for getting the biggest percentage of parents to join the P.T.A. The movie "Portrait in Black" will be shown Thursday night at 7:30 to the enthusiastic class.

Do you ever get the urge to eat a nice juicy apple, covered with a red candy syrup and topped with peanuts? If you do get this urge you're in luck and if you don't, you will after you see everyone else eating one.

The junior class has declared Thursday and Friday of this week Daffy Apple Day. They will be selling these indelibly delicious treats after school on these days at the main gates near the library for 20 cents each or five for \$1. Since the juniors sponsor the Junior-Senior Prom they will use the money earned from the Daffy Apple to help finance the prom.

SPEAKING OF THE prom, Seven juniors and their sponsor Miss Ardella Tibby, went out today after school to look for a suitable place for the prom. The reservations will be made at least by Nov. 31 and the Junior-Senior Prom will be held sometime in May. The Safety-Economy Run will be held this Saturday, starting at 6:30 a.m. Three entrants will be driving about 100 miles on a plotted course and then returning. Each of the five Torrance high schools will be represented in this test and the school with the safest drivers will receive a trophy.

The choral group's first Folk Music Concert of the year will be held tonight at 8. Tickets will be sold for 25 cents with ASB card and 50 cents for adults and students without ASB cards. Come and hear old favorites such as "Mariah," "Green Leaves of Summer," "Johnny Has Gone for a Soldier" and many others.

LAST FRIDAY all four of our great cross country teams massacred Aviation. Mike Sellers set a new record while leading Varsity runners Tom Purkey, Karl Rodefer, and Bob Cooper in Junior Varsity runners Tom Reed and Jim Tokin came in first and second respectively in their race. Jim Pouch set a new record for the sophomores with Richard Tussing right behind him while Rick Mitchell led the frosh team in. This Saturday, the teams travel to the Mount Sac Invitational.

Even though the football team didn't beat Lawndale on Friday night they did a good job of trying. This week when we host Aviation let's show them we're not only good in cross country but that we're just is good in football AND in spirit!

South Grad To Appear On TV Show

An El Camino College student who claims to be the only man in the world who can perform the Chinese Water Torture Trick will be featured on a "Hollywood Palace" show.

Dennis Breillen, a South High graduate, will perform the trick, made famous by the late Houdini, on the Dec. 3 telecast of the KABC-TV variety show.

Breillen will be lowered, head first, into a 6-foot tank filled with water. His feet will be locked in a stockade and his hands tied and he must escape from the cell before drowning.

The youth, who hopes to make a career of magic, first appeared on television last Jan. 1. He hopes to make an appearance on the Ed Sullivan Show next February.

Wolfe Novel On ECC Stage

El Camino's production of Thomas Wolfe's "Look Homeward, Angel," will open Friday night for a two-weekend run in the Campus Theater. Staged under the direction of William Buck, drama instructor, the play will be presented Friday and Saturday of this week and again on Nov. 4 and 5.

Tickets are available at the college bookstore and will be on sale at the box office on the evening of the performance.
