South Wins Dominguez Race Award

South High's cross country team won the sweepstakes award in the annual Dominguez Invitational Cross Country Meet Tuesday. West High finished fourth in the overall rankings.

Spartan Coach Dick Scully described the win as a "real surprise" and said the team had boarded the bus for the drive home when the award was announced. Jeff Marsee, who trailed West's Mike Sellers in the senior division race, claimed the trophy.

Sellers led all runners in the senior division, touring the course in a time of 9:51 to break a year-old record of 10 flat. Marsee, in second place, was timed at 10:00.

Warrior Coach Bob Hottel described Seller's win as the "greatest race of his life" and noted that it marked the fifth record Sellers has established this season.

Tom Purkey finished the junior race in 10:39 for fifth place for West, while South's Jeff Harper, first Spartan across the finish line, could do no better than 17th position in an 11:09 time.

The West sophomores won first place in the division with Bob Cooper (11:04) finishing in third place. Steve Smith was 8th and Rich Tussing 15th for the win.

Results: 1. South, 169; 2. Long Beach Jordan, 174; 3. San Marino, 198; 4. West High, 202; 5. Long Beach Milken, 218.

Individual Results (Seniors): 1. Sellers (West), 9:51 (new course record, old record 10:00); 2. Marsee (South), 10:00; 3. Jones (Dominguez), 4. Dexter (Milken), 5. Egan (Jordan).

Coach Gene Vollnogle's Carson Colts followed up their 54-21 stunner over Los Angeles by throttling San Pedro, 66-12 — highest score of the season.

Four-game total to 534 yards in 45 carries, an 11.8 average. Gardena has amassed 1270 yards on the ground and 351 in the air for a total of 1621 yards (405.2 per game), while "Player of the Year" fullback Charley Evans blasted 116 yards in 12 tries to run his 1370 (342.2 average).

Narbonne coach Jack Bobinette feels his Gauchos have a fine chance to beat Carson, pointing out that Gardena jumped off to a quick 13-0 lead, then was unable to score until 1 min. 24 secs. remained in gaining a 19-0 decision.

Narbonne out-first downed and outgained the explosive Mohicans, had two punt returns for TD's called back, completed a pass to the Gardena 1-yard line and failed to score, and had a TD pass dropped in the end zone.

Carson Battles Narbonne

If, as they say, "When the going gets tough, the tough get going," this is the weekend for Los Angeles City high school football teams with league championship ambitions to really show their stuff!

The list of undefeated and untied teams has been re-

duced from 10 to eight as a result of last weekend's competition in which Garfield was dropped by South Gate, 33-26, and Jefferson succumbed to Dorsey, 19-13, to open play in the Eastern and Southern Leagues, respectively.

That leaves Banning, Carson, Gardena, Palisades, Redondo, San Fernando, Venice, and Wilson all totting 4-0 records. Carson with 120 points in its last two games, is the No. 1 scoring club with 180 points, followed by San Fernando, 159; Banning, 154; Wilson, 134; Los Angeles, 133; and Wilson, 130. Wilson has allowed but six points and Gardena only 14.

Narbonne coach Jack Bobinette feels his Gauchos have a fine chance to beat Carson, pointing out that Gardena jumped off to a quick 13-0 lead, then was unable to score until 1 min. 24 secs. remained in gaining a 19-0 decision.

Narbonne out-first downed and outgained the explosive Mohicans, had two punt returns for TD's called back, completed a pass to the Gardena 1-yard line and failed to score, and had a TD pass dropped in the end zone.

Halfback Jim Guillou, a

one-man riot last week on offense and defense, and fullback Lynn Hughes spearhead the Narbonne attack, with guards Marty Nakazawa and Bob Bump heading a solid line.

Coach Gene Vollnogle's Carson Colts followed up their 54-21 stunner over Los Angeles by throttling San Pedro, 66-12 — highest score of the season.

You don't believe a 6 can act anything like an 8? With our new Overhead Cam Six you'd better believe it. A few short years ago automotive engineers were struggling to coax 165 hp out of a four barrel V-8 using premium gas. Remember? Our single barrel OHC 6 gets 165 hp on regular. And 215 from the premium gas four barrel option. Our OHC 6 is standard on all Tempests and Le Mans. To say nothing of new styling, new interiors, new colors, new options (like that hood-mounted tach) and new standard safety features (like passenger-guard door locks, General Motors' new energy absorbing steering column and a four-way hazard warning flasher). We've said enough. If a test drive won't convince you, nothing will. 67 Pontiac OHC Sprint/Ride the Wide-Track Winning Streak See your authorized Pontiac dealer for a test drive.
