Victoria Maple Leafs Take on Blades Twice

The Blades, just beginning to feel at home at the Sports Arena, have some high-class guests in for company this week.

The Victoria Maple Leafs are here for games tonight and Friday with pretty much the same personnel that won last season's Lester Patrick Cup playoffs.

It is the first trip south for the Leafs, who played seven of their first nine games at home, venturing only as far out as Seattle and Portland where they had to struggle for ties both times.

However, a tough defense anchored by rookie Goalie Al Smith will challenge the Blade's second-place stature in the WHL. Smith, backed up by brothers Fred and Sandy Hucul on defense didn't yield a goal till his third game, and the Blades are the only club to really get to him with a 5-3 win October 29, the Leafs' first defeat.
