

# WARRIOR TRAILS

By Robin Newcomer

The week of Nov. 14 will be remembered in West High history as the "week we won 'em all." From A to S that is.

This year's football season ended on a triumphant note with a winning score for the Warriors against the Palos Verdes Sea Kings. Each game that was played was exciting—even when we did lose. From the looks of this year's team we can look forward to a good season next year.

Our cross country lost Friday to Palos Verdes but we still have a good chance of coming out on top at CIF. The boys were victorious last year, winning first place... our school's first CIF championship as well as the first cross country for a Torrance high school. Maybe this year we'll be the first Torrance high school to have two CIF championships.

AND ON Sunday at KNXT studios the West High team representing us on the Scholar Quiz baffled the opponent, Rosemead High, 175 to 85! On Saturday, Dec. 3, at 5 p.m., you can see Neil Campbell, Dave Forbes, Steve Pearson, and Wayne Sabo giving the Rosemead team a tough time on Channel 20.

Mike Sellers, Cindy Biggers,

Tom Somerset, and Nancy Fukumoto also will be shown representing West in the interview part of the program. Mike Eardly won the contest for the most fascinating fact. His fact was based on President Johnson being the 37th President and not the 36th. The juniors voted for their senior rings and will vote for the sweaters soon. Remember, if you are planning on designing an emblem, all entries must be in by next Tuesday.

MOST WARRIORS have received their report cards in the mail by now. If anyone has just realized that he needs help in a particular subject, stop in the library before or after school and sign up for a CSF tutor.

The juniors will be selling nuts over the Thanksgiving weekend with all the profits going towards financing the Junior-Senior Prom. In order for the Prom to be a night to remember, the juniors must raise enough funds. So buy some nuts yourself and remind all your friends and neighbors to do the same. Since tomorrow is Turkey Day I'd like to wish everyone a Happy Thanksgiving and a wonderful weekend.

Trail's End!

# Spartans Speak

By Terry Dorn

After several articles consistently advertised the Senior Class Play, it will finally be performed next Friday and Saturday nights, Dec. 2 and 3. The play, Tennessee Williams' "The Glass Menagerie," will be performed by an all-star, all-senior cast. The admission will be \$1.25 for adults and 75¢ for students with ASB cards or \$1 without cards.

The play will be presented in the South High Cafeteria. Tickets will be sold at the door. We are hoping for a big turnout similar to that of our previous plays in the last few years.

There is a great amount of publicity for "The Glass Menagerie" within the campus. There seems to be a poster for it on every building.

# Bonds Win Big Margin, Board Told

Final unofficial election returns for Proposition "V," a \$9 million Torrance school bond issue, show the bond issue was approved 30,512 to 14,567, according to a report given to the Board of Education Monday.

Dr. Louis Kaplan said 749 absentee ballots were included in the totals. The official canvass of the election is expected to begin next week.

Three precincts were not included in the total, the report said. The outcome of the election, however, cannot be changed, it was reported.

# Special Airport Meeting Slated

Members of the city's Airport Commission will hold a special meeting at 3 p.m. today in the council chambers at city hall, 3031 Torrance Blvd.

Tomorrow's regularly scheduled meeting has been canceled because of the Thanksgiving holiday.
