

### Nightly Concert Planned

Three special concerts are scheduled this week at Bullock's Fashion Square Del Amo. The nightly concerts will continue through Dec. 23.

Appearing at 7 tonight in front of La Casita community building will be the Bel Canto Singers under the direction of Adrian Rosati. The singers are members of Bel Canto singing classes being conducted in Manhattan Beach and Gardena.

Tomorrow evening, the South High Concert Choir is scheduled to present a series of traditional Christmas carols, including the Hallelujah Chorus from Handel's "Messiah." The "Chansonettes," a girls' honor group, will appear with the choir.

Friday night, the Del Amo Baptist Church Choir will present selections from Handel's "Messiah," and such songs as "Carol of the Bells" and the "Little Drummer Boy."

John Shelton, music director at the church, will conduct the Del Amo Baptist Choir.

Radio broadcasts of each of the performances is scheduled.

### Saxon Girl Makes First Solo Flight

A North High junior, Kathie Kingston, has completed her first solo flight in her quest for a pilot's license.

Miss Kingston, daughter of Mr. and Mrs. Ralph Struckman of 18322 Wilton Place, made her first flight alone after completing 14 hours of flying time and a written test. She plans to continue her efforts toward earning her pilot's license and must make two more solo flights. Both, however, will be supervised.

"It was a little too high," she said after the first flight, "but the only hard part was the landing."

**NEW HEADQUARTERS . . .** New Torrance headquarters for Abco Construction Co. were opened with a holiday party last weekend at 2535 Maricopa Street. Several hundred guests visited the modern offices and warehousing area in the fast-growing Torrance Central Manufacturing District. Abco Construction has built many of the industrial buildings in the Torrance CMD in recent years and included many of the industrialists of the area on their open house list.

### Lesson Set On Origin Of Universe

"God hath spoken once; twice have I heard this; that power belongeth unto God." This will be the Golden Text of this week's lesson-sermon titled, "Is the Universe, Including Man, Evolved by Atomic Force?" to be read in all Christian Science churches this Sunday.

A related passage from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will be:

"Adhesion, cohesion, and attraction are properties of Mind. They belong to divine Principle, and support the equipoise of that thought-force, which launched the earth in its orbit and said to the proud wave, 'Thus far and no farther.'"
