

Chairman Selected for March of Dimes Drive

Mrs. Clara A. Conner, retired Torrance postmaster, today was reappointed the Torrance chairman for the 1967 March of Dimes campaign.

Mrs. Conner was named to the post by District Attorney Evelle J. Younger and retired Sheriff Eugene W. Biscailuz, Los Angeles County co-chairmen.

"The March of Dimes is fighting birth defects because each year these tragic conditions rob more than a quarter-million American children of their birthright: to enter the world healthy and grow normally," she declared.

Mrs. Conner said the March of Dimes is "making important progress in birth defects, but we need increased public support to continue and to expand these programs." Some 77 centers are now in operation throughout the nation, she noted, where children suffering from birth defects may be treated.

The 29th annual appeal of the March of Dimes is scheduled to begin in January.

Work on New Court To Begin

County supervisors have given the "green light" for construction of the San Pedro County Court Building.

The action came on the motion of Supervisor Burton W. Chace, who represents the Harbor area.

Chace's proposal calls for an immediate start on construction of the \$1.2 million court facility. Construction has been delayed by site condemnation proceedings, which have been appealed by the property owner.

"The need for this facility is critical," Chace said. "I have been advised by the County Counsel that we can start construction while the attorneys determine the site cost — without jeopardizing our position."

The site of the court building is between Fifth, Sixth and Centre streets in downtown San Pedro. Price of the land was judged at \$156,000 by the Superior Court, but the owners, Union Distributing Co., have appealed the decision.

"There is no justification to hold up construction of the court building while the condemnation price is appealed," Chace said. "This site is centrally located, vacant, and suits the courthouse needs."

"The community of San Pedro is wholeheartedly behind the site selected and the project itself," said Chace. "My mail reflects a strong need for the court building."

'God' Subject Of Sunday's Lesson-Sermon

"God" is the subject of this week's lesson-sermon to be read in all Christian Science churches Sunday.

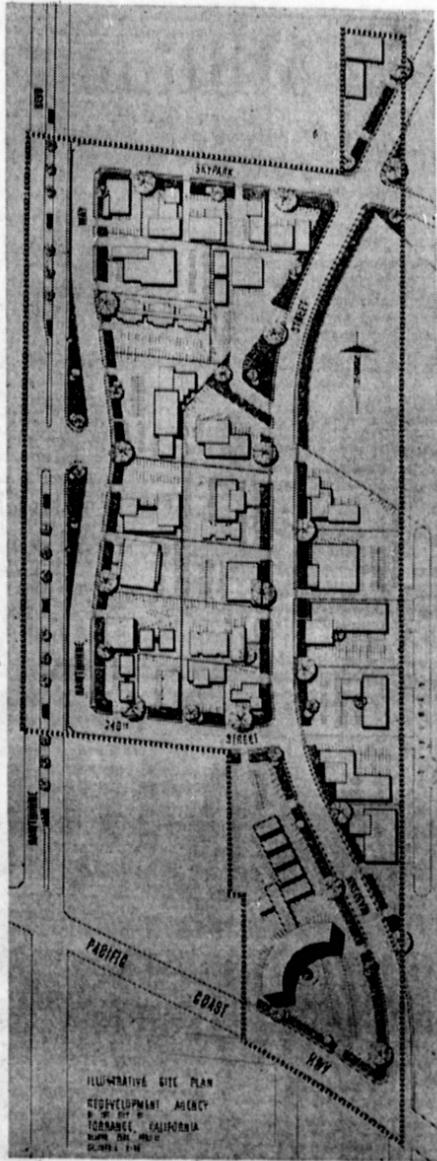

The Golden Text is from Isaiah: "The Lord is our judge, the Lord is our lawyer, the Lord is our king; he will save us."
