# Serve Finger Lickin' Good Foods Co. Fresh Chicken This Week...

### BARBECUE CHICKEN

Wash & dry thoroughly your Foods Co. Farm Fresh Fryer that has been cut into pieces, split or quartered. Rub generously with vegetable oil or butter. Salt all sides moderately and rub in. Make sure that chicken is at room temperature when ready to cook. Place on a grill that is 6-8 inches over two layers of glowing briquets. Turn frequently for 1/2 hour. The last 15 minutes, baste liberally with your favorite B.B.Q. sauce. Turn frequently to prevent burning the tender skin.
