GORDON F. CAMPBELL
To Lecture Here

Lecture Scheduled Thursday

Discovering new trust in God in a scientific age will be explored at a public lecture coming to Torrance Thursday under sponsorship of First Church of Christ, Scientist.

The speaker will be Gordon F. Campbell, an experienced teacher and practitioner of Christian Science from Santa Monica. He is currently on tour as a member of the Christian Science Board of Lectureship.

His lecture here will be titled "What Do You Trust?" It begins at 8 p.m. in the church auditorium, 218th and Mansel streets. Admission is free and open to the public.

Campbell was graduated from the University of California at Los Angeles. He spent several years in business positions and then as a voice teacher. In 1953 he began devoting his life to the Christian Science healing ministry and later became a teacher and lecturer. He returned to the denomination's public lecture work recently after completing a three-year appointment to conduct services as First Reader of the First Church of Christ, Scientist, in Boston, Mass.

THE TAPE TOTAL TELLS THE TRUTH ABOUT SAVINGS!

A few days ago we chose a customer at random, Mrs. Quinda Eusonio of Canoga Park and asked her permission to make a list of her purchases, which amounted to \$20.03. Had she bought the same groceries at two other leading food chains, she would have paid \$1.47 or \$1.66 more than at Market Basket.

No doubt you, too, can save as much if you shop Market Basket every week. And thanks to Deep-Cut Discount Prices on EVERY item every day, you don't have to limit your selection to certain items, brands or sizes to save money at Market Basket.
