What is your potential?

When you think deeply about it from a religious standpoint, you begin to wonder — can anyone really measure man's potential, or put any limits on it? Can you measure God's love for His creation? No. But we can learn to let it mold and fill our lives. Hear this public lecture, "What is Your Potential?" by JANE O. ROBBINS, C.S., member of The Christian Science Board of Lectureship in Boston, Mass.
