

Donations Of Blood Requested

The American Red Cross Bloodmobile will be at the Harbor College campus next Monday. Last semester, a record of 115 pints of blood were donated during the Harbor College visit.

Those wishing to donate blood in the coming drive should contact Mrs. Miller in Student Activities for an appointment on the Dec. 4 schedule.

Donors must weigh at least 110 pounds and be 18 years old. Those under 21 must have a signed parent permission slip. A physical examination checking temperature, pulse, blood pressure, and hemoglobin count will be given to each donor by the Bloodmobile staff.

Blood contributors at Harbor College can credit their pint to any account they choose—such as their own personal account, their church, or an organization.

Anyone unable to contribute on Dec. 4 may contact the Bloodmobile staff at 1499 W. First St., San Pedro, for information regarding other locations where blood can be donated.

Carson Area Road Work Scheduled

Approval of an appropriation of \$1,300 for a highway improvement project on Del Amo Boulevard in the Dominguez-Carson area was announced today by Supervisor Burton W. Chace.

The allocation calls for improving the highway from a point 310 feet west of Santa Fe Avenue to 240 feet westerly thereof, and on Carson Street from 180 feet west of Wilmington Avenue to a point 50 feet westerly thereof, Chace said.

The work will consist of constructing asphaltic-concrete pavement on aggregate base material to join the curb and gutter recently completed under county permit on the north side of streets by the owners of the adjacent properties.
