saving at Hawthorne is
like going on a diet

Once you really get started, the rest comes easy. Take off a little every week, bring in a little every week — the whole idea is to change your habits into good habits permanently. Get in the habit of visiting Hawthorne Savings every week or payday. It doesn't matter how much or little you save, but make it the same every time. Don't ever allow yourself to slip — haphazard saving is almost as bad as haphazard dieting! It's the gal and guy who stick with it who earn the greatest benefits (Hawthorne makes your balance fat, with the highest insured interest rate in the nation). That's how you get to long-term goals like a glorious vacation or a daughter's wedding. And think of all the extra you can save, if you'll only cut out dessert twice a day!

Funds received by 10th of any month earn from the 1st.

offense record for the year is more than 1,800 yards. Boyd was named the Pioneer League player of the year. Bishop Montgomery placed three outstanding boys on the team. The trio was instrumental in the Knights' 11-1 record as juniors and completed a 6-3 campaign as seniors.

Pat Kealey missed part of the season with a knee injury, but over a 3-year period has been regarded as a natural college and professional football prospect.

Montgomery, which concentrated on a passing game, also had All-Torrance back Mike Ramirez who accounted for 644 yards in 90 carries for a 7-2 average. He caught 14 passes for 221 yards and had a combined 10 touchdowns.

End Steve Patterson caught seven touchdown passes among 16 receptions for 276 yards. He grabbed eight interceptions on defense.

John Gist, a holdover All-Sky League lineman who has performed at guard and tackle for Torrance High School, was picked among the city's top linemen.

The Coach of the Year is Herb Richey of South High. Richey, taking over a team with a tradition of doldrums, presented a football program this season that could not be made fun of! Although South was less than amazing on defense, the team's unknown returning halfback from 1966, Jeff Wang, returned to delight Richey and his staff with an offense's attack that provided great anticipation on every play.

Prep Fans Can Watch Two Games

Prep football fans who were trying to decide whether to watch Anaheim and El Rancho tangle in a rematch of last year's CIF, SS "AAAA" championship game or to see Santa Barbara's potent offensive machine meet St. Paul can stop worrying—they'll see both.

In a unique grid "double-header," Anaheim and El Rancho will collide Friday night at Anaheim Stadium and St. Paul and Santa Barbara will meet Saturday night at Cerritos College, giving fans an opportunity to witness both matches.

Friday night's encounter promises to be a good one, with both clubs boasting fine running and passing games coupled with stingy defenses. Anaheim will have the added incentive of revenge for last year's 35-14 championship defeat at the hands of the Dons.
