### Need for Toys Cited By Agency

Get too many new toys for Christmas?

If you did, then the Volunteer Bureau of the Harbor Area has a solution for the problems of storing lots of new toys.

One of the bureau's local agencies specializes in lending toys to less fortunate children. Youngsters who return the toys on time and in good condition receive stars. When the right number of stars have been earned the youth is given a new toy as an honor gift.

But, reports Mrs. Jack C. O'Donnell, executive director of the Volunteer Bureau, the agency is short of new toys. "We are desperately hoping to receive donations," she said.

Persons who would like to donate toys to the agency should contact Mrs. O'Donnell at the Volunteer Bureau, 1427 S. Pacific Ave., San Pedro, any Monday, Wednesday, or Friday between 9 a.m. and noon.
