

NEW AGENCIES BEGUN . . . Officials of Moran Cadillac and Butler Buick begin construction of new agency facilities on the KNX tower site at Hawthorne Boulevard and 190th Street. From left here are Ronald Moran, and Charles Butler Jr. and Charles Butler Sr. with shovels. Behind the trio is John Schmolle, contractor of Hermosa Beach who will erect the buildings. Separate but adjoining sales and service facilities will be built on the site, agency officials said.

Adult Chorus Tryouts Set

Sing in the shower? If so, you are cordially invited to join the Torrance Community Chorus which meets from 7:30 to 9:30 p.m. each Monday at the Joslyn Recreation Center, 3335 Torrance Blvd.

Membership in the chorus is open to Torrance Adults. There is no fee. Practices for the spring concert will begin on Feb. 13, and new members are encouraged to get in on the beginning of the rehearsals.

Directed by Walt Whitman, the music consultant for the Hawthorne School District, the group indulges in everything from show tunes to Bach's "Gloria," and specializes in such tunes as "Sunrise, Sunset," "The Sweetheart Tree" and "Moon River."

The concert in May will feature the Community Chorus as well as the Joslyn Modern Dancers and the Imperial Dance Band. The Torrance Community Chorus is a Torrance Recreation Department-sponsored program.

LASERS USED

Medical research with lasers at Veterans Administration hospitals has presented evidence that use of the laser may be good technique for treating some types of liver tumors since almost bloodless removal of parts of the liver are possible with this method.

Library Friends To Meet

A slide show and discussion about the city's April 18 election for a \$2.3 million municipal library bond will highlight a meeting of the newly formed Torrance Friends of the Library tomorrow.

The session is scheduled for 7:45 p.m. at the Torrance Recreation Center, located at the rear of the municipal swimming pool.

The first half of the meeting will be devoted to a discussion of proposed by-laws for the new group, to be followed by a slide presentation and discussion of the forthcoming election.

A question-and-answer period will be held. Mrs. Howard Foote is interim president of the Friends group.

Photographer's Mate 3, C. Edmond F. Diet, USN, son of Mr. and Mrs. Louis J. Diet of 22039 Selwyn Ave., was advanced to his present rate while a member of Heavy Photographic Squadron - 61 (VAP-61), a unit of the U. S. Seventh Fleet based at the Naval Air Station Agana, Guam. His promotion was based on time in service and rate, military appearance, performance of duties and passing the Navy-wide test for promotion.

Forgery Charges Dropped

Forgery and grand theft charges against a Torrance bookkeeper have been dismissed in South Bay Municipal Court.

Judge Otto B. Willett last Friday dismissed the charges against Lucille R. Old of 5233 Bindewald Road, following a preliminary hearing.

Mrs. Old was arrested last Jan. 13 by Gardena police after her employer reported some \$6,000 missing from the company checking account.

To Sacramento

Dr. Robert Allen, curriculum consultant, will represent the Torrance Unified School District at a compensatory education conference to be conducted by the State Department of Education in Sacramento, Feb. 19 through 21.

AT PORT HUENEME
Airman Martin P. O'Connor, son of Mr. and Mrs. Martin O'Connor of 1252 W. 161st St., Gardena, has been selected for training at the U. S. Naval Station at Port Huene as an Air Force construction equipment operator. The airman, a 1966 graduate of Mt. Carmel High School, Los Angeles, recently completed basic training at Anarillo AFB, Tex.

The price of electricity has dropped 34% since 1939.

That's a switch.

Just about everything else has gone up. But not the price of Edison electricity. A kilowatt-hour has gone down in price 34% since 1939.* Then how come your electric bill isn't lower today? Answer: you're using a lot more electricity today. The typical home uses electricity 40 different ways.

Of course, being investor-owned (we have approximately 145,000 stockholders, many of whom are customers) gives Edison an added incentive. We have to do our level best to keep electricity abundant and low in cost. The "boss" is all around us. *The average cost of a kilowatt-hour of electricity to Edison's residential customers today is 34.4% lower than in 1939.
