Torrance Man Hurt In Crash

A Torrance man sustained minor injuries Thursday morning when his car struck a truck which had stopped on Sepulveda Boulevard after dropping a load of steel rods.

Police said Barber was hurt when his car, headed east on Sepulveda Boulevard, hit a truck which was improperly parked near Hickory Street.

Officers said the driver of the truck, John O. Jonsson, 45, of Redondo Beach, had stopped after a load of steel rods fell from the truck bed.

Plans for Road Work Approved

Approval of a \$5,000 highway improvement project on Santa Fe Avenue, north of Carson Street, and on Carson Street, south of Santa Fe Avenue, has been scheduled by the County Road Department.

The work will consist of constructing asphaltic concrete pavement on aggregate base material to join the recent improvements constructed under county permit by the owners of the adjacent properties.

Supervisor Burton W. Chace said the project is an example of a type of roadway improvement work performed by the County Road Department in cooperation with the public for the betterment of our county highway system.

"The completed improvements," he said, "will reduce maintenance costs, improve area drainage and generally add to the operational efficiency of these sections of county highways."

No Effect Rains Have On Library

Despite several days of heavy rain, use of the Torrance library facilities as measured by circulation statistics showed sharp increase in January. William S. Geller, county librarian, said today.

Geller said a countywide increase of about 7.5 per cent was noted. Total circulation in the five Torrance branches jumped from 53,948 to 57,414.

Largest gain was at the downtown Torrance branch, where increase of more than 10 per cent to 20,887 was reported.

Slight drops in total circulation were noted at both the Isabel Henderson (West Torrance) and the Walteria branches. At the Henderson library, circulation was down from 11,979 to 11,325 and at Walteria figures were 6,898 for January, 1967, and 7,006 for January, 1966.

Increases were reported at both the El Retiro (8,948 compared to 7,703) and North Torrance (9,556 compared to 8,463) branches.

Circulation at both the Lomita and Gardena libraries also was up. Lomita reported 7,275 books and other times

circulated during the month, while the figure for the Gardena Library was 16,982.

Films Set At Library

Three free films will be shown at 10:30 a.m. next Saturday in the Children's Room of the Torrance Library, 1345 Rost Ave.

The films are "Song of the Prairie," "Little Blue and Little Yellow," and "I'm No Fool with Fire."

Reunion of Class Set

Leuzinger High School's Class of 1957 will hold its ten-year reunion May 20 at the Los Verdes Country Club in Palos Verdes.

The dinner-dance will begin with a social hour at 7 p.m. Dave Page and Bob Zeigenbein will be masters of ceremonies for the evening.

Members of the class who have not received invitations are asked to contact Pat (Crist) Whited, 15646 Patonella Ave., or Judy (Skinner) Welch.

Coed Is Awarded \$100 Scholarship
