It's Birthington's Washday!

It happens about this time every year, too, as do many other events taking place in our South Bay area. Events such as the Big Anniversary party coming off this Saturday at Louis and Rose Song's beautiful and colorful Tea House at 25818 Crenshaw in Torrance. This, too, as you must certainly realize, is an event that takes place once a year and it should be a swingin' thing for all ye who decide to partake of some superb Cantonese food and some equally superb service and hospitality on the 25th. Incidentally, it might be duly noted and recorded here that talented song-stylist and vocalist Gale Stoddard is now appearing at the Tea House from Tuesday through Saturday—five days now instead of four. A very cooperative little gal, this Stoddard one! She'll do any thing to that piano you ask her to, (except wash it, of course!) Slip on in there some nite and give a listen! "Rip" Van Winkle wants us to remind you that once again the "cook your own steak" bit is back at his House of Prime Capri Room at 29023 South Western in the San Pedro area. Just talked with Van couple minutes ago and he reports that last week-end that BBQ pit took quite a beating with all the "do-it-yourself" chefs cluttered around. It's a good deal, though, 'cause you've got noone to whom to complain but yourself. If you undercook it, toss it back on. If you overcook it... well, the only thing left to do... well, buy another one 'spose! And that, too, won't make Van Winkle mad!

Just talked with Sam Falla and he informs you that the prime rib and steak shot for \$1.95 has now been extended to 7 days a week where it used to be only Monday thru Thursday. Further, remember there're only four days left to catch the Cy Dubell Duo down there at the San Franciscan and then it'll be Johnny Hoover and his Henchmen, brought back by popular demand. Along with Johnny will once again be "Sex on the Sax," Harriett. A truly fine sax gal. If you haven't heard her (and SEEN her) you're in for a treat!

GALE STODDARD
Tea House

The Lan! Kaye Duo have been doing a nice business for Sam since they opened down there a couple weeks ago in their "A Little Bit of Hawaii" presentation Sundays only. Everyone seems very "high" on this group.

Now just "down the road a piece" from our front door (in fact, practically in our front yard!) you'll find one of those famed "Sizzler Steak Houses. This one's No. 63.

Well they've got an anniversary sale deal coming up for you there as well as at No. 2 Sizzler that'll be something.

It's New York Steak that usually costs a dollar forty-nine, for ninety-nine cents with the kiddies portion (regular 75 cents offering) going at forty-nine cents.

This all happens Tuesday and Wednesday, Feb. 28th and March 1st (Remember. This is the shorty month... only twenty-eight days!)

The number sixty-three store is at 3314 Sepulveda Blvd. and the number two shop is at 2700 Redondo Beach Blvd., both in Torrance.

Keep it in mind for along toward the latter part of the month and shag down there and load up! (But watch that "Willie D" in store number 63! He's a rabid Dodge fan!)

Still more catching up for you to do will be the Page Cavanaugh Trio at Ceasars Ramada Restaurant on Pacific Coast Highway. Page'll close out there this coming Saturday nite so that leaves you just four days here, too, to catch some excellent talent before it departs these parts to return to the old standby in Vegas, the Tropicana. Just who's to follow Page into this popular Torrance spot we don't know at the present writing (this is writing? ???) but we'll "leave you know!"
