Board Approves New Sea Water Barrier Agreement

County supervisors have approved a two-way agreement as part of the Dominguez Gab sea water barrier project to be developed in the Carson area, Supervisor Burton W. Chace said today.

GETTING UP NIGHTS MAKES MANY FEEL OLD

Common Kidney or Bladder Irritations make many men and women feel tense and nervous from frequent, burning or itching urination night and day. Secondly, you may lose sleep and have Headache, Backache and feel older, tired, depressed. In such cases, CYSTEX usually brings relaxing comfort by curbing irritating germs in acid urine and quickly easing pain. Get CYSTEX at druggists.

Parties to the contract are the County Flood Control District and Phillips Petroleum Co.

The company will allow the district to construct and maintain two observation wells within its property as part of unit 1B of the project, Chace said. Purpose of the wells is to check on effectiveness of the barrier designed to halt encroachment of brine into fresh supplies.

The firm's property lies east of Alameda Street and south of Sepulveda Boulevard.
