

**THRIFTY WEEK . . .** Thrifty Drug Stores throughout the West this week are celebrating the traditional sales event, Thrifty Week, through March 11. The sale features special values on quality merchandise in each department of the 187-chain store. Shown here are Arlene Charles, "Miss Thrifty;" Manny Borun (center) executive vice president of the firm; and Bill Henry, vice president of store operations.

## Thrifty Drugs Launches Sale

Thrifty Drug Stores, the West's largest drug, variety, and junior department store chain, this week begins celebration of one of its most popular traditional merchandising events, Thrifty Week. The week long savings event will begin March 8th and end March 14th in all 287 Thrifty Drug Stores.

Manny Borun, Thrifty executive vice president, declared that every effort has been extended to make the 1967 Thrifty Week the greatest in the firm's history.

"One of the challenges of a traditional one-week sale event is to improve the values and savings for our customers each year. We've met the challenge by directing our buyers to obtain the finest merchandise in the largest quantities possible and by instructing our managers to pass the savings of volume buying to Thrifty customers. This is a sale that will be long remembered," Borun said.

A spokesman for local Thrifty managers pointed out that special price tags will be found on such items as men's sunglasses, Indian Madras bed spreads, bronze metal bridge chairs and matching bridge table, shelf metal bookcases, and swag lamps in a variety of styles and colors.

Women and girls will be attracted to the remarkable values on acetate print blouses, bonded acetate and nylon pants, seamless sheer support hose, earrings, vinyl covered rattan Tote Bags and a selection of quilted robes.

The Thrifty spokesman indicated that's just the beginning of Thrifty Week values. There are literally hundreds of special price tags on the finest quality name brand merchandise in every department throughout every Thrifty Drug Store. The ad on these pages of today's paper offer a complete listing.

A reminder was issued by the Thrifty representative that Thrifty Week is just one week long and urged bargain hunters to check the values in their neighborhood Thrifty Drug Store before the sale ends March 14.
