

School Board Briefs

The Board of Education last week:

• Awarded a contract for purchase of portable classroom units to Modulux in the amount of \$99,750. The portable units will be used to develop the initial plant for the district's continuation high school, which is scheduled to open on its own campus in September. In awarding the bids, trustees rejected arguments favoring carpeting of the portable units.

• Authorized soil tests for the construction of an Industrial Arts facility at North High School.

• Authorized a topographical survey of the Torrance High School Campus in order to develop plans for an Industrial Materials Building and a new classroom building.

• Voted to support Senate Bill 311 which would permit local boards of education greater control over curriculum in the public schools.

• Agreed to permit Ted Kyte, of 20707 S. Anza Ave., to file a letter which will be filed with minutes of the March 27 meeting explaining his position regarding boundaries.

• Agreed to permit Ted Kyte, of 20707 S. Anza Ave., to file a letter which will be filed with minutes of the March 27 meeting, contending the minutes did not correctly reflect his position. The letter is subject to approval by the board.

College Concert Slated

The third annual Pops Concert will be presented April 22 at 8:30 p.m. in the El Camino College Campus Theater under the sponsorship of the music department.

Jazz, folk, and pops arrangements will be centered around a unique informal theme which will be a surprise for the audience. Calvin Greer, music instructor and director of the EC stage band, said.

The band will play "You'd Be So Nice to Come Home To," "Moonlight Serenade," "A Wonderful World of Blues" and "March of the Cyclops" arranged by Johnny Richards who is arranger for the Stan Kenton band.

"All The Things You Are," "Yesterday," "The Shadow of Your Smile," and "Gonna Build a Mountain" will be sung by the El Camino Chorale under the direction of Douglas Laurence.

Also on the program will be soprano Joan George who will sing the Gershwin arrangement of "Porgy and Bess." Chet Atlas, guitarist, will perform his own flamenco improvisations.

Other performers include Shelley Maurice who will sing a surprise number which goes with the theme of the concert, and Peter Lebel and Kathy Arce, who will sing a vocal duet of a pops arrangement.

The program is open to the public. There is no admission charge.

Aide Needed To Answer Telephone

Volunteers to work as temporary telephone helpers are needed, Mrs. Jack C. O'Donnell, executive director of the Volunteer Bureau, said today. Mrs. O'Donnell said one person will be needed from 3 to 5 p.m. each day next week to take messages. The office is located in San Pedro.

Handicapped children will benefit from the help and the work is both easy and pleasant, Mrs. O'Donnell said. She urged anyone with time to spare next week to call her at the Volunteer Bureau, 1427 S. Pacific Ave., San Pedro.

Army Pvt. Robert O. Thomas 17, son of Mr. and Mrs. William A. Thomas, 600 N. Maria, Redondo Beach, completed a field communications crewman course at Ft. Ord, April 7. During the course, he was trained to string wire from the field to the communication center. Instruction was also given in basic electricity, switchboard installation and operation.
